Dear Ms. Timmins:

REZONING
North of Northwest Corner of Leila Avenue and Pipeline Road
Lord Selkirk – West Kildonan Community Committee
File No. DAZ 230/03

An application has been received from Pre-Con Builders, on behalf of Brian Neil Friesen Dental Corporation, to amend By-Law No. 6400/94 by rezoning the land shown below from an “A5” Agriculture District to a “C2” Commercial District to allow for commercial development.

RELATED FILES: Zoning By-Law No. 1833 of 1977

SITE DESCRIPTION:

Site Area, Existing Land Use, and Zoning:

The site is currently vacant and zoned A5 Agriculture. The site is approximately 13,000 square feet (0.29 acres) in size.

Surrounding Land Use and Zoning:

North: Multi-Family Residential (RM-3), then Detached Residential (R1-5)
South: Commercial (C2), then Leila Avenue, Detached Residential (R1-4)
East: Pipeline Road, then vacant land (R1-20)
West: Detached Residential (R-2 & R1-4) and Multi-Family Residential (RM-3)

DEVELOPMENT DESCRIPTION:

The applicant, Pre-Con Builders on behalf of Brian Neil Friesen Dental Corporation, proposes to rezone the site to C2 Commercial to permit commercial development on the site. The proposed site is an extension of the existing commercial parcel to the south, zoned C2, and is bounded on the north and west by the existing multi-family parcel, zoned RM-3. The commercial parcel located immediately adjacent to the south is bound by a zoning agreement (By-Law No. 1883/77), which restricts the uses permitted on-site.

PLAN WINNIPEG:

The subject property falls within a designated Neighbourhood Policy Area under Plan Winnipeg, which allows for compatible mixed use, commercial, and residential development; thus, the proposed rezoning is in conformance with Plan Winnipeg 2020.

ADMINISTRATIVE COMMENTS:

The Planning & Land Use Division has no objections or concerns with the application. The proposed rezoning is a natural extension of the existing commercial parcel to the south, and rezones a ‘remnant’ A5 Agricultural parcel that is no longer viable nor compatible for agricultural uses. In addition, the site is bounded on the west and north by multi-family residential, and is not immediately adjacent to the existing detached residential homes further to the north and west.

The Planning & Land Use Division believes the imposition of a zoning agreement similar to the existing one onto what can be seen as a ‘natural’ extension of the commercial parcel to the south may be appropriate in this case. Moreover, the imposition of a similar zoning agreement onto the subject site will permit a consistent set of permitted land uses throughout the commercial site. The Public Works Department have requested conditions of approval as part of a servicing agreement for street and drainage improvements, which are consistent with that requested of other proposals in the Amber Trails development.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ /03, attached hereto and dated, September 8th, 2003, to a "C2" Commercial District, subject to the following:

A. That the applicant enter into a zoning agreement with the City of Winnipeg pursuant to Subsection 240(1) of The City of Winnipeg Charter, to provide for the following as permitted uses:

1.Appliance stores
2. Art or antique shop
3. Bakeries
4. Banks
5. Barber shops
6. Beauty parlors and salons
7. Bicycle sales or repair shops
8. Book stores
9. Dressmaking shops, custom
10. Drug stores
11. Dry cleaning receiving station (no processing on premises)
12. Dry good and fabric stores
13. Eating and drinking stores
14. Florist shops
15. Food stores
16. Furniture shops
17. Gift shops
18. Hardware shops
19. Hat repair shop and store
20. Jewelry shops
21. Music stores
22. News stores
23. Novelty shops
24. Offices, business and professional
25. Pet shops
26. Photographer
27. Camera and photographic supply store
28. Record stores
29. Shoe stores and repair shops
30. Sporting goods stores
31. Stationary stores
32. Tailor shops, custom
33. Tobacco shops
34. Toy stores

35. Travel bureaus
36. Accessory uses when located on the same lot, loading space, and parking

II. That the developer shall enter into a Servicing Agreement with the City of Winnipeg for development of this property in accordance with the Administrative Coordinating Group's report dated September 5, 2003.

III. That a 10 percent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

IV. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of this time is applied for prior to the expiry of this twenty four (24) month period and the extension is subsequently approved by Council.

V. That the City Solicitor/Manager of Legal Services be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

VI. That the rezoning by-law shall come into effect when the Zoning Agreement has been registered by caveat as a first charge against the subject land at the Winnipeg Land Titles Office, provided that the said effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.

VII. That the Proper Officers of the City are hereby authorized to execute said Zoning Agreement.

VIII. That the City Solicitor/Manager of Legal Services be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.
