SUMMARIZATION OF REPRESENTATIONS AND SUBMISSIONS
MADE AT THE PUBLIC HEARING

Doug Henne, Doug Henne Planning Services, appeared in support of the application. He expressed concerns on behalf of his client with respect to Recommendation No. 5 of the Administrative Coordinating Group (Exhibit 8) which recommends that a clause be added to the existing servicing agreement that would transfer to the City a wedge of property and that the City sell the wedge for fair market value plus the cost of services in John Huyda Drive. He indicated that although he appreciated that the City would take measures to protect the potential for future development of adjoining lands, he suggested that the wedge of property (Lot 3) be transferred to the City of Winnipeg and held from development and be returned back to his client if the owner of 774 Bonner Avenue chooses not to purchase the property. In addition, he indicated that his client does not feel that selling the wedge of property at fair market value is appropriate and

expressed his opinion that the property is more valuable and likely worth 2 or 3 times fair market value.

SUBDIVISION AND REZONING
John Huyda Drive
East Kildonan-Transcona Community
File No. DASZ 21/03

An application has been received from North Grassie Properties (Doug Henne) for approval of a plan of subdivision and related zoning change to amend By-Law No. 6400/94 by rezoning the land shown below from a "A-5" Agricultural District to an "R1-5.5" Single Family District.

RELATED FILES: DAV 58/03D, DAC 03/03, DASZ 27/77, DASZ 65/86, DASSF 529/91, DASSF 599/91, DASSF 548/01, DASZ 02/03

SITE DESCRIPTION:

Site Area:

Approximately 2425 sq.m. (26103 sq.ft.)

Existing Land Use and Zoning:

Vacant Land with an "A-5" Agricultural District zoning.

Surrounding Land Use and Zoning:

North: Along Bonner Avenue, single family dwellings designated "R1-5.5" with a variety of lot widths fronting Bonner Avenue.
South: Fronting Ragsdill Road, single family dwellings on 40 to 68 foot wide lots zoned "R1-5" and "R1-5.5" with rear yards adjacent to the subject property.
East: Along John Huyda Drive, single family dwellings on 59 – 62 foot lots zoned "R1-5.5" with rear yards adjacent to the subject property.
West: Fronting Mitchelson Way, single family dwellings on 57 foot wide lots zoned "R1-5" with rear yards adjacent to the subject property.

DEVELOPMENT DESCRIPTION:

The applicant is proposing to create three lots by rezoning the subject property to an "R1-5.5" District. The proposed lots will have a width of 54.26 feet (16.54 metres) and a depth of 166.2 feet (50.66 metres).

This subdivision is an extension of an application (DASZ 2/03) to create 18 lots along the extension of John Huyda drive previously recommended for approval by the Community Committee on April 22, 2003. Under this approval, John Huyda Drive will be developed as an improved roadway from its present terminus just north of Ragsdill Road to Mitchelson Way.

PLAN WINNIPEG:

The proposed concept complies with Plan Winnipeg in that a residential rezoning is allowed in Neighbourhood Policy Areas.

ADMINISTRATIVE COMMENTS:

The Department supports single family residential use on the subject lands. This proposed use is consistent to the surrounding context of single family residential uses in the Springfield North Neighbourhood and represents a logical extension of subdivision along John Huyda Drive.

However, the potential future subdivision of the adjacent property to the east of the subject lands should be preserved. The applicant has attempted to enter into an agreement with the adjacent owner to acquire a portion of the lands and create proposed Lot 3 as a "pie" shaped lot which would facilitate the future subdivision two additional lots from the adjacent property. The adjacent landowner has indicated in writing that at this time he is not prepared to consider such an arrangement.

As a result, staff are suggesting that Lot 3 be modified to remove a wedge shaped portion from the southeast corner of the lot to facilitate the future subdivision of the adjacent lands and that this portion be transferred to the City. This requirement will be included as an addendum to the Servicing agreement AG 2/03 pursuant to the previous approval of DASZ 2/03.

RECOMMENDATION:

I. That the plan of subdivision proposed under File No. DASZ 21/03 be approved for preparation as a plan of subdivision by a Manitoba Land Surveyor in accordance with Schedule "A" for File No. DASZ 21/03, attached hereto and dated September 8, 2003, for registration in the Winnipeg Land Titles Office, subject to the following:

   A. That the Developer be required to enter into a Development Agreement with the City containing all the conditions outlined in the report of the Administrative Coordinating Group dated September 5, 2003.

II. That the Director of Planning, Property and Development be authorized to certify any documents in connection therewith.

III. That Zoning By-Law No. 6400/94 be amended by rezoning the subject land as shown on Schedule "A" for File No. DASZ 21/03, attached hereto and dated September 8, 2003, to an "R-1 5.5" Single Family District.

IV. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of this time is applied for prior to the expiry of this twenty four (24) month period and the extension is subsequently approved by Council.

V. That the City Solicitor be requested to prepare the necessary by-law in accordance with the above.

VI. That the subdivision section of the by-law shall come into force and effect upon execution by the City of Winnipeg of the Development Agreement.

VII. That the zoning section of the by-law shall come into force and effect when the Plan of Subdivision has been registered in the Winnipeg Land Titles Office provided that the said

effective date occurs within twenty-four (24) months from the date that the said rezoning by-law is adopted by Council.

VIII. The Plan of Subdivision shall be approved and signed by the Director of Planning, Property and Development within two (2) years of the date of passage of the aforementioned by-law.

Re: Proposed subdivision and rezoning of land located on the north side of John Huyda Drive - DASZ 21/03

An application has been submitted by Doug Henne Planning Services on behalf of North Grassie Properties Inc. to subdivide and rezone land located on the north side of John Huyda Drive. North Grassie Properties Inc. also owns the property immediately west of the subject property and has entered into a Servicing Agreement AG 2/03 with the City pursuant to the approval of DASZ 2/03 to install a full range of services in John Huyda Drive westerly to Michelson Way. Immediately to the east of the subject property lies the property known as 774 Bonner Avenue, the rear yard of which property has the potential for the creation of two additional building sites providing a wedge of property from DASZ 21/03 is set aside for consolidation with the rear yard of 774 Bonner Avenue.

It is therefore recommended that approval of DASZ 21/03 be subject to the Developer entering into an Addendum to Servicing Agreement AG 2/03 as follows:

1. by attaching to AG 2/03, a copy of the plan of subdivision approved under DASZ 21/03;

2. by attaching to AG 2/03, a plan showing the servicing and lot grading requirements for the land covered under DASZ 21/03;

3. by adding a clause to AG 2/03 to the effect that the Developer shall pay the land drainage trunk charge (TSR) applicable to the land covered under DASZ 21/03. The 2003 rate for the TSR is $16,109.00/acre.

4. by adding a clause to AG 2/03 to the effect that the Developer shall pay cash in lieu of dedication of land for public open space on the basis of three (3) new building sites.

5. by adding a clause to AG 2/03 to the effect that:

    i) the Developer shall transfer to the City for $1.00 a wedge of property to accommodate the planned and orderly development of the rear yard of 774 Bonner Avenue;

    ii) the City agrees to sell the wedge of property to the owner of 774 Bonner Avenue for fair market value plus the cost of services in John Huyda Drive on the basis of Local Improvement rates prevailing at the time payment is received;

6. by adding a clause to AG 2/03 to the effect that the Developer shall pay $545.00 to defray the City's administration and related costs associated with the preparation and implementation of the Addendum to AG 2/03.
