REASON FOR THE REPORT

Since authority to approve grants from the 2013 Arenas capital program budget has not been delegated, Council approval is required to award the grant and to delegate authority to negotiate and approve final terms and conditions of the related grant agreement.

EXECUTIVE SUMMARY

Approval of a grant in the amount of $47,172 will allow Glenwood Community Centre to proceed with managing improvements to their arena facility under the guidance of City staff.

IMPLICATIONS OF THE RECOMMENDATIONS

The Chief Financial Officer will have delegated authority to negotiate and approve final terms and conditions of a grant to General Council of Winnipeg Community Centres for their role in financial management of the Glenwood Community Centre Arena Upgrade project.

HISTORY

On February 27, 2013, Council adopted the following:

1. That the net proceeds from the sale of the Glenlee Community Centre be transferred from the Land Operating Reserve Fund to the General Capital Fund to finance an equivalent increase to the 2013 Arenas capital program budget (capital account #6391000113) to be used for improvements to the Glenwood Community Centre Arena.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

Net proceeds of the sale of the portion of the Glenlee Community Centre amounted to $304,000. Due to the length of time it took for the sale to close, a grant of $280,000 was approved by the Building Communities Policy Committee (Mayor and Minister of Municipal Government) on March 8, 2013 toward the Glenwood Community Centre Arena Upgrade Project. This grant was approved as “interim financing”; the intent being that the BCI budget would be replenished once the sale closed. Of the $280,000 grant, $255,295 was spent. After deducting this amount from the net proceeds of $304,000, a residual amount of $48,705 currently remains in the 2013 Arenas Capital Program budget. Net of internal overheads, $47,172 is available, subject to Council approval, for the Glenwood Community Centre Arena Upgrade project.

Financial management of the project is currently being provided by General Council of Winnipeg Community Centres, with technical support and approvals by City staff.

The Community Centre has recently completed several projects including Arena shed painting, flooring replacement, Arena bleacher installation and building envelope improvements. A $141,988 Arena Heat Recovery Project is near completion and the $47,172 residual amount, subject to Council approval, would be a partial funding source for this project.
