REASON FOR THE REPORT

As per Section 205(2) of the City of Winnipeg Charter, a two-thirds majority vote of Council is required for the disposal of City parkland.

EXECUTIVE SUMMARY

Closing, subdividing and rezoning of lands related to 761 North Drive under DAC 2/2015 and DASZ 13/2015 were approved by Council on October 28, 2015, allowing the City to move forward and negotiate the terms of sale.

The Department has concluded its negotiations with the Applicant to purchase the subject rights of way and the Subject City property (Areas 2, 3 and 5) for market value.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no regulatory or human resources implications associated with this report.

HISTORY

The Applicant acquired the former Wildewood Club at 761 North Drive around October of 2014. The Applicant intents on demolishing the existing building and constructing a multi-family complex, which includes 14 townhouses and a 5 storey, 41 unit multi-family building. They are calling this "Wildewood Village".

The Applicant also leases the Wildwood Golf Course from the City of Winnipeg. They have advised that the golf course and tennis courts will remain intact. The Applicant will be required to replace the pro shop that currently resides within the existing building which will soon be demolished.

Parts of the subject rights of way (Areas 2 and 3) and the Subject City Property (Area 5) were incorporated into the redevelopment of the Applicant's adjoining property under subdivision and rezoning application DASZ 13/2015. The Applicant applied to close the subject rights of ways under DAC 2/2015. Both DAC 2/2015 and DASZ 13/2015 were approved by Council on October 28, 2015, allowing the City to move forward and negotiate the terms of sale.

The Department has concluded its negotiations with the Applicant to purchase the subject rights of way and the Subject City property (Areas 2, 3 and 5) for market value. This value has taken into consideration the area required by the applicant to be dedicated to the City for the road opening (Area 1).

The City acquisition of Area 4, as shown on the attached Misc. Plan No. 14875/5, will be handled through the conditions of DASZ 13/2015.

The Golf Services Division is supportive of this proposed sale providing there are at minimum 48 parking stalls left for the golf course to continue to operate without disruption and also providing the Applicant builds a new Pro Shop in accordance with the golf course needs. The clubhouse design will be approved by the Chief Operating Officer of Golf Services.

The primary objective of Wildewood Village is to provide an affordable housing option in the area to ensure that the development responds to the demographics of East Fort Garry.

The Applicant is required to purchase the proposed closed rights of way and purchase the Subject City property for inclusion in their overall development.

Based on an internal appraisal, market value for the proposed closed rights of way and the Subject City Property is $180,000.00. This value has taken into consideration and has deducted the area required by the applicant to be dedicated to the City for the road opening (Area 1).

The Department supports and recommends approval of the proposed sale of the proposed closed rights of way to 6981420 Manitoba Ltd. for the price of $180,000.00 for the following reasons:

- The proposed closing and opening, subdivision and rezoning (DASZ 13/2015 and DAC 2/2015) has already been approved by Council on October 28, 2015.
- The Ward Councillor supports the sale.
- The property would be placed on the tax roll at the closing of the sale.
