REASON FOR THE REPORT

Council has the authority to approve the lease of City-owned land for less than market value.

IMPLICATIONS OF THE RECOMMENDATIONS

- The Department has determined that there is no general, policy, regulatory, environmental or human resource implications to entering into a Lease Agreement as set in the attached Terms and Conditions.

- The proposed lease is for a term of five (5) years with an extension option of five (5) years.

HISTORY

At its meeting held on October 28, 1999, the Standing Policy Committee on Property and Development approved a lease in favour of Pinkham Daycare Inc. for the use of the subject property identified as "Leased Area" on Misc. Plan No. 10666/1.

On January 10, 2006, the Committee approved an additional five (5) year lease with an option to renew for a further five (5) years upon expiration of term in accordance with the negotiated terms and conditions.

The Day Care provides care for children aged three (3) months to twelve (12) years old all year through except for Statutory and Provincial holidays, and is economically dependent on government funding and independent grants which represents the majority of its total revenue.

The current Lease Agreement expired on November 3, 2014. A request from the Day Care was received in January 2015 asking to enter into a new lease at the same location at 759 Ross Avenue.

The application was circulated to applicable City departments and public utilities for consideration and comments. All comments and concerns have been incorporated into the signed terms and conditions.

The Risk Management Division of Corporate Finance reviewed the insurance requirements for this proposed lease and their comments have been incorporated into the terms and conditions.

The Planning, Property, and Development Department have negotiated proposed Terms and Conditions of a Lease Agreement in favour of Pinkham Daycare Inc.

This report seeks approval of the Proposed Lease Agreement as negotiated.

Independent Auditor's Report

To the Members of
Pinkham Day Care Inc.;

We have audited the accompanying financial statements of Pinkham Day Care Inc. which comprise the statement of financial position as at December 31, 2013 and the statement of operations, statement of net assets and of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Basis for Qualified Opinion

In common with many not-for-profit organizations, the Organization derives a part of its revenues from the general public in the form of donations and special fundraising projects, the completeness of which is not susceptible to audit verification. Accordingly, our verification of these revenues was limited to the amounts recorded in the records of the Organization and we were not able to determine whether any adjustments might be necessary to revenues, excess of revenues over expenses, assets and net assets.

Qualified Opinion

In our opinion, except for the effects of the matter described in the Basis for Qualified Opinion paragraph, the financial statements present fairly, in all material respects, the financial position of Pinkham Day Care Inc. as at December 31, 2013, and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

1. NATURE OF THE ORGANIZATION

Pinkham Day Care Inc. (the Organization), a not-for-profit organization, was incorporated under Manitoba legislation on December 18, 1989. The Organization provides child care services for children in the community from ages of three months to twelve years. The Organization qualifies as a not-for-profit organization as defined in the Income Tax Act and, as such, is exempt from income tax.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of accounting

The Organization prepares its financial statements in accordance with Canadian accounting standards for not-for-profit organizations (ASNPO).

Fund accounting

For presentation in these financial statements, the activities of the Organization are accounted for utilizing fund accounting. Accordingly, two funds, an Unrestricted Fund and an Investment in Capital Assets Fund have been established to account for the activities described below:

The Unrestricted Fund reflects the co-ordination, communication, fundraising and administration activities of the Organization. Accordingly, all revenue received and expenditures incurred for these purposes, together with all donations received, are reflected in this Fund.

The Investment in Capital Assets Fund reflects expenditures for program and office equipment used by the Organization, as well as any expenditures for building improvements to the existing premises. Accordingly, all expenditures related to these costs are reflected in this Fund.

Tangible capital assets

Tangible capital assets purchased by the organization are recorded at cost and any assets donated to the Organization are recorded at their fair market value on the date of acquisition. The carrying value of tangible capital assets is amortized on a straight-line basis over five years for equipment and twenty-seven years for leasehold improvements. Amortization expense is reported in the Investment in Capital Asset Fund.

Revenue recognition

Fees are recognized when provision of daycare services have been delivered to families and ultimate collection is reasonably assured at the time of performance.

The Organization follows the deferral method in accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when they are received or receivable, and when collectibility is reasonably assured.

Contributed services and donated materials are recognized as revenue if the fair value can be reasonably estimated at the date of contribution.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Use of estimates

When preparing financial statements according to ASNPO, the Organization makes estimates and assumptions relating to:

- Reported amounts of revenue and expenses;
- Reported amounts of assets and liabilities; and
- Disclosure of contingent assets and liabilities.

Management's assumptions are based on a number of factors, including historical experience, current events and actions that the Organization may undertake in the future, and other assumptions that we believe are reasonable under the circumstances. Actual results could differ from those estimates under different conditions and assumptions.

12. FINANCIAL INSTRUMENTS

The Organization uses risk management to monitor and manage its risk arising from financial instruments. These risks include credit risk, interest rate risk and liquidity risk. The Organization does not use any derivative financial instruments to mitigate these risks.

Credit risk

Credit risks arise from two sources: cash and cash equivalents and accounts receivable. Cash and cash equivalents are deposited with reputable, major financial institutions to limit the credit risk exposure. The credit risk from counter parties not paying accounts receivable is not considered to be significant.

Interest rate risk

The Organization is exposed to interest rate risk with respect to the cash and cash equivalents. Changes in interest rates can affect the cash flows related to interest income and expense.

Liquidity risk

Liquidity risk exposure is dependent on the receipt of funds from federal and provincial government grants, membership fees and other sources to enable the Organization to pay its liabilities as they become due.
