## RECOMMENDATIONS

1) That Winnipeg Zoning By-law No. 200/2006 be amended to correct an error in the zoning maps.
2) That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

## REASON FOR THE REPORT

To restore the zoning rights on the subject property as they existed prior to the adoption of Winnipeg Zoning By-law 200/2006. During the zoning map conversion process for the Winnipeg Zoning By-law Review, the zoning of the property located at 526 College Avenue was converted to a “C1” Commercial Neighbourhood District in error. If the recommendation of the Public Service is concurred with, Winnipeg Zoning By-law will be amended to rezone the subject property as a “C2” Commercial Community District.

Authority to make final decisions regarding by-laws rests with Council.

## IMPLICATIONS OF THE RECOMMENDATIONS

N/A

## DISCUSSION

- On October 24, 2001, the subject property was rezoned as a “C2” Commercial Community District under By-law No. 7905/2001.
- Passage of the Winnipeg Zoning By-law No. 200/2006 caused the subject property at 526 College Avenue to be rezoned as a “C1” Commercial Neighbourhood District in error. The “C1” zoning district

does not fully reflect the development rights that existed for the subject property when the Winnipeg Zoning By-law came into force and effect on March 1, 2008, at which time, there existed no established criteria for downzoning  properties zoned “C2” to“C1”.

- This error can be corrected by amending the Winnipeg Zoning By-law to rezone the subject property as a “C2” Commercial Community District.
- Under Section 276 of the City of Winnipeg Charter, Council may amend a zoning by-law without a public hearing if the amendment corrects an error or omission and does not prejudice the rights of any person.
- The subject property is governed by a Zoning Agreement that restricts development of the subject property to specific uses (DAZ 219/2001). The proposed amendment to the Winnipeg Zoning By-law will have no effect on the existing Zoning Agreement.
