REASON FOR THE REPORT

The City of Winnipeg Charter provides for the creation of a Business Improvement Zone (BIZ) by by-law. Changing the boundaries of the Exchange District Business Improvement Zone (the "Exchange BIZ") requires an amendment to the Exchange District Business Improvement Zone By-law No. 8115/2002.

EXECUTIVE SUMMARY

- The Exchange District Business Improvement Zone, continued by By-Law No. 8115/2002, is one of sixteen Business Improvement Zones within the City of Winnipeg.
- The City Clerks Department received a petition from Joe and Lily, a coffee shop located on the main floor of 145 Pacific Avenue and Impark, parking services located at 5 – 90 Market Avenue, seeking to have the Exchange District BIZ boundaries expanded to allow the inclusion of their businesses (Attachment "B").
- The proposed expansion follows the process and procedure prescribed within the Business Improvement Zone Procedures By-Law (No 8111/2002) for adding businesses to an existing zone.

IMPLICATIONS OF THE RECOMMENDATIONS

- There are no regulatory Implications resulting from the proposed recommendations.
- External organizations and the community at large will experience economic benefit from the proposed recommendations.

HISTORY

The City of Winnipeg By-Law No. 5081/89 created the Business Improvement Zone known as the Exchange District Business Improvement Zone. The Exchange District Business Improvement Zone By-law No. 8115/2002 continued the Exchange District BIZ under the same name.

Business Improvement Zones are governed by prescribed processes and procedures, outlined within the Business Improvement Zone Procedures By-Law No. 8111/2002, which grants Council the authority to expand the boundaries of a BIZ to include additional businesses if certain steps are followed, namely:

1) A petition must be filed with the City signed by more than 50% of the proprietors in the proposed additional area of the zone representing more than 50% of the total taxable business assessment in the proposed area of the zone;

2) The City Clerk must give notice to all the businesses in the proposed additional area of the petition and must offer them an opportunity to object to the BIZ boundary expansion; and

3) The City Clerk must ensure that no more than one-third of the businesses in the proposed additional area representing at least one-third of the total taxable business assessment of the proposed additional area of the BIZ have objected in writing to the boundary expansion prior to the date set by the Clerk.

Petitions were submitted by Joe and Lily, a coffee shop located on the main floor of 145 Pacific Avenue, and Impark, parking services located at 5 – 90 Market Avenue. The Assessment and Taxation Department confirmed the petitioners were the only two businesses located in the block bounded by Lily Street, Alexander Avenue, Main Street and Pacific Avenue and that all Business Improvement Zone Procedures By-law requirements have been met.

The City Clerks Department confirmed that no objections were received for the proposed expansion of the boundaries to the Exchange District Business Improvement Zone.

Accordingly, the Winnipeg Public Service is recommending that the Exchange District BIZ boundary be expanded to include the block bounded by Lily Street, Alexander Avenue, Main Street and Pacific Avenue as denoted in the attached Schedule “B” and that Council enact the by-law amendment attached hereto as Attachment “A”.

Accordingly, the Winnipeg Public Service is recommending that Council enact the amending By-law, a draft of which is attached hereto as Attachment “A”, to expand the boundaries of the Exchange District BIZ to include the block bounded by Lily Street, Alexander Avenue, Main Street and Pacific Avenue as denoted in the attached Schedule “B” as denoted in the map to the Exchange District Business Improvement Zone By-law No. 8115/2002.
