RECOMMENDATIONS

1. That Council approve the 2016 Business Improvement Zone budgets and set and impose a zone levy to be applied to the annual rental value of each business within each zone.

2. That Council direct the Chief Financial Officer (CFO) to make payment to the Board of each zone in accordance with the Business Improvement Zone Procedures By-law No. 8111/2002.

3. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing, including the submission of the necessary by-law.

REASON FOR THE REPORT

In order for each Business Improvement Zone (BIZ) to obtain the revenue required to meet its 2016 budget, Council must impose, by by-law, the zone levy rates (Schedule A) to be applied to the Business Tax Roll for each Business Improvement Zone that submitted a budget for 2016.

EXECUTIVE SUMMARY

This Administration Report provides information regarding the setting of the 2016 Business Improvement Zone Levy Rates.

This report addresses the 2016 budget levy requirements based on the budget submissions from the 16 business improvement zones.

The Public Service in accordance with the Business Improvement Zone Procedures By-law No. 8111/2002 is recommending that Council approve the 2016 Business Improvement Zone budgets and set and impose a zone levy to be applied to the annual rental value of each business within each zone.

IMPLICATIONS OF THE RECOMMENDATIONS

The adoption of the 2016 Business Improvement Zone Levy Rates will authorize the collection of the levy as determined by the City of Winnipeg. There is no financial impact as the Business Improvement Zone levy is revenue-neutral to the City of Winnipeg

HISTORY / DISCUSSION

Under the *City of Winnipeg Charter* Council may, by by-law, establish a Business Improvement Zone (BIZ) as well as set the policies and procedures for a BIZ including, among other factors, the administrative process for reviewing and approving individual BIZ budgets. This authority was accomplished by enacting the Business Improvement Zone Procedures By-law No. 8111/2002.

The City of Winnipeg has received the 2016 budgets from all of the existing Business Improvement Zones; 16 zones in total.

For the purposes of raising sufficient money for each BIZ budget, a BIZ levy rate has been calculated and will be applied against the Annual Rental Value (ARV) of each business within the Business Improvement Zone (see Schedule A).

Schedule B provides a 2015/2016 comparison of each BIZ budget levy requirement and the BIZ levy rate. The BIZ budget levy requirement changes ranged from a decrease of 16.9% for the Old St. Vital BIZ to an increase of 8.7% for the Saint Norbert BIZ. The BIZ levy rate changes ranged from decreases of 1.3% to 25.3% for the Exchange District BIZ and St. James Village BIZ respectively.
