Report – Standing Policy Committee on Infrastructure Renewal and Public Works – March 14, 2016

DECISION MAKING HISTORY:

EXECUTIVE POLICY COMMITTEE RECOMMENDATION:

On March 16, 2016, the Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Infrastructure Renewal and Public Works, and submitted the matter to Council.

STANDING COMMITTEE RECOMMENDATION:

On March 14, 2016, the Standing Policy Committee on Infrastructure Renewal and Public Works received the matter as information and submitted the matter to Council.

On February 2, 2016, the Standing Policy Committee on Infrastructure Renewal and Public Works laid over the matter to its meeting on March 1, 2016.

COUNCIL DECISION:

On January 26, 2016, Council ruled automatic referral of the following motion to the Standing Policy Committee on Infrastructure Renewal and Public Works:

Moved by Councillor Wyatt
Seconded by Councillor Dobson

That the Public Service be directed to:

1. Create an app/service that allows smaller private contractors and individuals to bid on snow clearing opportunities on P3 designated streets, sidewalks and in backlanes where existing larger private contractors offer services;

2. That the app shall be tested as a pilot project in a smaller geographical area of the City and that this be targeted for the 2016/2017 winter season and;

3. That the Public Service report back to the Standing Policy Committee on Infrastructure Renewal and Public Works with the results of the pilot project;

4. In the event the pilot project is successful, that the City begin to expand the app services into other areas of the City for P3 snow clearing of roads, sidewalks, and back lanes where existing services are offered presently by existing contractors.
