Community Incentive Grant Program
8th Floor – 395 Main St

Dear Monika,

We are submitting the enclosed receipts to the City of Winnipeg to cover additional costs related to the purchase, shipping and installation of our NUARC Trilight Exposure Unit, in accordance to a response from City Councilor, Mike Pagtakhan, in our request for additional funding for this project which incurred costs above and beyond our initial estimates. The NUARC Trilight Exposure Unit has been partially covered with the help of the Community Incentive Grant Program 2015 agreement. We are remitting these additional invoices to you, as per Mike Pagtakhan's directives received by telephone in November 2015. We are under the understanding that we are able to access funds up to an amount of $3,400 providing we remit the proper documents that highlight the explicit purpose being in relation to the NUARC Trilight Exposure Unit. These invoices are directly related to the purchase, shipping and installation of this new piece of equipment and the information is provided on the receipts submitted. If there are any questions or if we have made any error in our submission of these receipts, please contact either Larry Glawson or myself at 204-779-6253.

Regards and thanks,

Kristin Nelson
