EXECUTIVE SUMMARY

Council approval is requested for a 15-year sponsorship term with Casera Credit Union Limited, whereby Casera Credit Union Limited agrees to pay the City $150,000 including GST, for the naming right of the Main Floor Canteen in the Transcona East End Community Club, located at 517 Pandora Avenue East in Winnipeg.

HISTORY

On November 21, 2007, Council approved the City of Winnipeg Sponsorship Policy. The Policy requires that Council approve the naming rights to any civic facility or asset. Sponsorships to support civic programs and services require only the approval of the Chief Administrative Officer.

In December 2009, the City launched the Sponsor Winnipeg Program which represents a new policy direction to generate additional revenue to support the delivery of public services.

On February 22, 2013 Council approved a tripartite funding partnership between The City of Winnipeg, the Province of Manitoba, and the Transcona East End Community Centre (TEECC). The 'Transcona East End Arena Expansion Project' would comprise a 52,600 sq. ft. addition, including a new rink, 500 seat bleacher area, additional and renovated locker room and shower facilities, a mezzanine level (including a community meeting room / programming space), modernized canteen as well as a new foyer, Pro Shop and additional parking.

The TEECC Board secured Construction Management services in order to ensure due diligence and to confirm preliminary project cost estimates.

The original budget per the Business Plan submission of October 2012 was $9.0 million. However, items such as the necessary relocation of sewer and water services, sprinklering of the existing building and an increased construction contingency resulted in a revised Budget of $11.5 million.

On January 31, 2014, the TEECC Board approved a motion to increase its funding contribution to the project from $3.0 million to up to a maximum of $4.0 million.

On July 17, 2014, the funding agreement between The City of Winnipeg and TEECC was executed for the expansion of the TEECC to include a new approximately 48,000 square feet addition of one additional sheet of ice and related amenities.

In the fall of 2015, the Sponsor Winnipeg Program entered into discussions with Casera Credit Union Limited about sponsoring the naming right for the TEECC main floor canteen.

Casera Credit Union Limited agreed to pay the City $150,000 including GST for the naming right of TEECC's main floor canteen. The term of the sponsorship is for 15 years.

Proceeds from the canteen naming right will be revenue income to TEECC and will be applied per Section 9.03 of the Funding Agreement, which states that TEECC shall on or prior to March 31 of each calendar year deposit 50% of the Annual Surplus Cash flow for the preceding calendar year in a Restricted Capital Reserve.

Section 9.03 would allow TEECC to allocate these sponsorship funds to a Restricted Capital Reserve Account that would assist TEECC to recover the additional $1 million in operating costs that was applied to the Mulit-pad expansion project at TEECC.

Signage will be installed at the canteen for the purposes of recognizing the sponsorship and will read as the "Casera Credit Union Canteen" or an alternate name as mutually agreed upon by Casera Credit Union Limited and the City.

Casera Credit Union Limited will also be allowed to install one 4'x 8' advertising wallboard in each of TEECC's three arenas for a total of three wall boards for the purposes of promoting the Casera Credit Union, for the duration of the sponsorship term. Casera Credit Union Limited will be responsible for all costs associated with the signage and wall boards that includes, but may not be limited to production, installation, and maintenance.

If requested, and with prior written approval by the CAO, Casera Credit Union Limited may install an ATM machine in the main lobby of TEECC but may not bolt, attach or adhere it to the floor due to the in-floor heating. Casera Credit Union Limited will be responsible for all costs associated with the installation and removal of the ATM including repairs and regular maintenance.

The naming right agreement with Casera Credit Union Limited will be the 10th naming right agreement to come before Council since the launch of the Sponsor Winnipeg Program.

Since the launch of the Program, the City has generated just over $3.3 million to enhance civic programs and services.

Sponsor Winnipeg supports this sponsorship with Casera Credit Union Limited and recommends that this naming right opportunity proceed to Council for approval.
