DECISION MAKING HISTORY (continued):

COUNCIL DECISION (continued):

AND WHEREAS similar to other Canadian cities, establishing a more competitive integrated waste management market in Winnipeg encourages more efficient and effective systems;

AND WHEREAS if one contract area of waste collection is failing, there will be other operations in Winnipeg who can pick up a district for the rest of the contract period;

THEREFORE BE IT RESOLVED that Water and Waste put out an RFP that calls for bids to provide waste collection service in the three Public Works areas of South, North and East districts, with staggered contract periods.
