8. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

In accordance with the Council Order of July 18, 1979, the Standing Policy Committee on Property and Development shall authorize the leasing or rental of City property and right-of-way for which the Director of Planning, Property and Development has no authority.

In accordance with Encroachment By-law 692/74, General Regulations, 4. (1) d, which states:

“Where the encroachment is of an unusual or commercial nature that it be referred to the Director of Land and Development Services of the City for the purpose of negotiating a reasonable rental and making recommendation to the Chief Administrative Officer for subsequent referral to Council.”

In this regard, the Planning, Property and Development Department has negotiated the proposed terms and conditions of a lease agreement and encroachment agreement as set out in attached Schedule “A” and Schedule “B” in favour of the Osborne Village Business Improvement Zone for the use of City-owned lands and adjacent right-of-way located near 145 Osborne Street and identified as “Lease Area” and “Encroachment Area” on attached Miscellaneous Plan No. 13365/1.

EXECUTIVE SUMMARY

Request for a Lease Agreement and Encroachment Agreement in favour of the Osborne Village Business Improvement Zone for use of City-owned land and adjacent right-of-way to install, construct, and maintain streetscaping elements including customized neighbourhood lanterns and a seating node.

IMPLICATIONS OF THE RECOMMENDATIONS

1. The Planning, Property and Development Department has determined that there are no general, policy, regulatory, environmental or human resource implications to entering into a Lease Agreement and Encroachment Agreement as set out in the attached Proposed Terms and Conditions, Schedule “A” and Schedule “B”.

2. The streetscaping elements and improvements completed by the Osborne Village Business Improvement Zone will beautify and enhance the high traffic public area.

3. An annual continuing term with cancellation provision will easily allow for the Osborne Village Business Improvement Zone to install, construct, and landscape the streetscaping elements, while maintaining the lands. Should the City of Winnipeg require any of these lands or adjacent right-of-way for future purposes, the ninety (90) day cancellation provision will permit for this.

4. There will be no expenses incurred by the City as a result of this Agreement.

HISTORY/DISCUSSION

The main portion of the subject property has been operating as a parking lot, managed by the Winnipeg Parking Authority. This operation continues at present, and will remain unaffected by the proposed lease and encroachment agreements.

A small westerly portion of the subject property was licensed to Tap & Grill Inc. for the purpose of operating an outdoor patio / sidewalk café, as approved by Council on May 25, 1995. This outdoor patio is presently operating, and will remain unaffected by the proposed lease and encroachment agreements.

On April 14, 2008, a proposal to purchase the subject property was received by the adjacent property owner. On August 21, 2008, an appraisal was conducted of the subject property by the Planning, Property and Development Department. A concluded sale never materialized with this proponent.

A small easterly portion of the subject property encompasses current streetscaping elements, including decorative plant basins and vegetation. This area is intended to be modified and improved through the efforts of the Osborne Village Business Improvement Zone as per the proposed Lease Agreement and Encroachment agreement referenced herein.

The Risk Management Division of Corporate Finance has reviewed the insurance requirements for this proposed lease and encroachment and their comments have been incorporated into the terms and conditions.

The Planning, Property and Development Department has negotiated proposed terms and conditions of a Lease Agreement and Encroachment Agreement in favour of the Osborne Village Business Improvement Zone.

This report seeks approval of the Lease Agreement and Encroachment Agreement as negotiated.
