RE: ***Audit of expenditures under the Councillors' Ward Allowance Fund Policy***

Pursuant to the provisions of the *Councillors' Ward Allowance (CWA) Fund Policy* ("the Policy"), we have audited the fund and chairperson expenditures of each City Councillor for the year ended December 31, 2015. Councillors are responsible for maintaining compliance with the Policy for expenditures incurred. The City Clerk's Department is responsible for processing expenditures in accordance with the provisions of the Policy; they are also responsible for such internal controls as are determined necessary to maintain compliance with the Policy, and to enable disclosure of fund and chairperson expenditures free of material misstatement on the City's website. The Corporate Finance Department is responsible for disclosing fund and chairperson expenditures monthly on the City's website. Our responsibility is to express an opinion on the compliance of fund and chairperson expenditures, and on the fair presentation of expenditures in this report, based on our audit. Our audit has been conducted to satisfy the provisions of the Policy and, therefore, may not be suitable for use for other purposes.

We conducted our audit in accordance with generally accepted government auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance that fund and chairperson expenditures complied with the Policy, and that the expenditure reports are free from material misstatement. An audit involves performing procedures to obtain evidence about the amounts presented in the reports. The procedures selected depend on the auditor's judgment, and include risk assessments of non-compliance and material misstatement. Accordingly, we considered the internal controls relevant to the expenditure processes, and the preparation of the reports, in order to design procedures that were appropriate under the circumstances. We believe the evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, fund and chairperson expenditures of all City Councillors were found to be in compliance, in all significant respects, and the expenditure reports for the year ended December 31, 2015 have fairly presented the fund and chairperson expenditures, in all material respects, in accordance with the provisions of the Policy. The individual reports are attached for your information and include summaries of each Councillor's expenditures.

We have also provided our *Councillors' Ward Allowance Fund Policy Report to Governance Committee of Council* discussing our findings and recommendations on the internal controls for the ward allowance and chairmanship funds. This additional report is an integral part of performing an audit in accordance with generally accepted government auditing standards.

Sincerely,

Bryan R. Mansky, MBA, CPA, CMA, CIA
City Auditor

AUDIT REPORT ON EXPENDITURES MADE UNDER THE COUNCILLORS' WARD ALLOWANCE FUND POLICY 2015

To: His Worship Mayor Brian Bowman
and the members of City Council

We have audited the fund and chairperson expenditures of Councillor Devi Sharma for the year ended December 31, 2015 pursuant to the provisions of the *Councillors' Ward Allowance (CWA) Fund Policy* ("the Policy"). Councillors are responsible for maintaining compliance with the Policy for expenditures incurred. The City Clerk's Department is responsible for processing expenditures in accordance with the provisions of the Policy; they are also responsible for such internal controls as are determined necessary to maintain compliance with the Policy, and to enable disclosure of fund and chairperson expenditures free of material misstatement on the City's website. The Corporate Finance Department is responsible for disclosing fund and chairperson expenditures monthly on the City's website. Our responsibility is to express an opinion on the compliance of fund and chairperson expenditures, and on the fair presentation of the expenditures, based on our audit. Our audit has been conducted to satisfy the provisions of the Policy and, therefore, may not be suitable for use for other purposes.

We conducted our audit in accordance with generally accepted government auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance that fund and chairperson expenditures complied with the Policy, and that the expenditure reports are free from material misstatement. An audit involves performing procedures to obtain evidence about the amounts presented in the expenditure reports. The procedures selected depend on the auditor's judgment, and include risk assessments of non-compliance and material misstatement. Accordingly, we considered the internal controls relevant to the expenditure processes, and the preparation of the expenditure reports, in order to design procedures that were appropriate under the circumstances. We believe the evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the fund and chairperson expenditures incurred by Councillor Devi Sharma were found to be in compliance, in all significant respects, and the Councillor's expenditure reports for the year ended December 31, 2015 have fairly presented the fund and chairperson expenditures, in all material respects, in accordance with the provisions of the Policy.

AUDIT REPORT ON EXPENDITURES MADE UNDER THE COUNCILLORS' WARD ALLOWANCE FUND POLICY 2015

To: His Worship Mayor Brian Bowman
and the members of City Council

We have audited the fund and chairperson expenditures of Councillor Brian Mayes for the year ended December 31, 2015 pursuant to the provisions of the *Councillors' Ward Allowance (CWA) Fund Policy* ("the Policy"). Councillors are responsible for maintaining compliance with the Policy for expenditures incurred. The City Clerk's Department is responsible for processing expenditures in accordance with the provisions of the Policy; they are also responsible for such internal controls as are determined necessary to maintain compliance with the Policy, and to enable disclosure of fund and chairperson expenditures free of material misstatement on the City's website. The Corporate Finance Department is responsible for disclosing fund and chairperson expenditures monthly on the City's website. Our responsibility is to express an opinion on the compliance of fund and chairperson expenditures, and on the fair presentation of the expenditures, based on our audit. Our audit has been conducted to satisfy the provisions of the Policy and, therefore, may not be suitable for use for other purposes.

We conducted our audit in accordance with generally accepted government auditing standards. Those standards require that we plan and perform an audit to obtain reasonable assurance that fund and chairperson expenditures complied with the Policy, and that the expenditure reports are free from material misstatement. An audit involves performing procedures to obtain evidence about the amounts presented in the expenditure reports. The procedures selected depend on the auditor's judgment, and include risk assessments of non-compliance and material misstatement. Accordingly, we considered the internal controls relevant to the expenditure processes, and the preparation of the expenditure reports, in order to design procedures that were appropriate under the circumstances. We believe the evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

In our opinion, the fund and chairperson expenditures incurred by Councillor Brian Mayes were found to be in compliance, in all significant respects, and the Councillor's expenditure reports for the year ended December 31, 2015 have fairly presented the fund and chairperson expenditures, in all material respects, in accordance with the provisions of the Policy.
