APPENDIX 'A'

DATE: June 28, 2016
FILE: ZAA 5/2016
RELATED FILES: DASZ 53/2006
COMMUNITY: City Centre
NEIGHBOURHOOD #: 1.626

SUBJECT: The applicant is proposing to amend the Zoning Agreement on the property by deleting Clause 4 (ix), in order to permit a retail use on the second floor

LOCATION: 1735 Corydon Avenue

LEGAL DESCRIPTION: Lot 1 Plan 47521 58 St. B

APPLICANT: Colliers International / Sheri Griffiths

OWNER: 2892007 Manitoba Ltd.

RECOMMENDATION: Amend Zoning Agreement

SITE DESCRIPTION:
The subject property is located at the northwest corner of Corydon Avenue and Lanark Street, in the Sir John Franklin neighbourhood of the River Heights – Fort Garry ward.

The site is Mature Communities under the Complete Communities Direction Strategy. The property is zoned "C1" Commercial District.

SURROUNDING LAND USE AND ZONING
North: Residences zoned "R1-M" Residential Single-Family District
South: Residences zoned "RMF-S" Residential Multi-Family District
East: Commercial use zoned "C1" Commercial District
West: Residences zoned "RMF-S" Residential Multi-Family District

HISTORY
DASZ 53/2006 – The subject property was rezoned from an "R1-4A" Residential Single-Family District to a "C1.5" Commercial District in order to construct a 2 storey commercial building. At the time of approval, a Zoning Agreement was included as a condition of approval.

The Zoning Agreement included several clauses – one of which was that the second floor shall be restricted to office (including medical, dental, optical, counseling or health and therapeutic clinic) uses only. This condition was recommended by the Winnipeg Public Service to limit the intensity of commercial activity on the site.

DESCRIPTION OF THE PROPOSED DEVELOPMENT
The applicant seeks approval to remove clause 4 (ix) from the zoning agreement in order to have a retail use on the second floor.

ANALYSIS AND ISSUES
In reality, the subject property has had a retail use on the second floor from 2010 until recently. This occurred due to the City issuing an occupancy permit in error.

Given the nature of the commercial uses in this building, its location on a busy mixed use corridor, and the ample amount of parking available on site, having commercial uses other than office uses on the second floor is compatible with the area and will not have an adverse impact on adjacent properties.

For this reason, it is recommended that the agreement be amended.
