RECOMMENDATIONS

That Audit Committee receive the Quarterly Report Card – 2016 Quarter 2 as information.

REASON FOR THE REPORT

The report is being submitted in accordance with the City Organization By-law 7100/97 section 19(d)(iv) that the Audit Committee will "Receive and review audit reports, and table such reports with its recommendations at a regular meeting of Executive Policy Committee."

The report provides summary information on the status of the implementation of 165 recommendations from twelve audit reports as at June 30, 2016.

IMPLICATIONS OF THE RECOMMENDATIONS

The Quarterly Report Card process enables the City Auditor to provide Audit Committee with assurance that the Public Service has implemented recommendations from past audit reports. The report also provides status updates on the implementation progress of outstanding recommendations.

HISTORY

In 2006, the *Status of Audit Recommendations Quarterly Report Card* was introduced at the request of Audit Committee. The *Quarterly Report Card* is produced at the end of March, June, September and December and is presented at the next Audit Committee.

The attached report provides the results of the Audit Department's review for the period April 1, 2016 through June 30, 2016 of the 165 recommendations from 12 various audit reports.

Four recommendations were targeted for implementation in the second quarter and one was implemented.

Report Name	# Implemented	Recommendation # Implemented
Workplace Safety Audit	1	#2
311 Contact Centre Audit	-	-
Traffic Signals Branch Performance Audit	-	-
Traffic Signals Branch Performance Audit	-	-

Where applicable, documentation supporting the implementation was reviewed by the City Auditor to confirm the status update and whether or not implementation has occurred.

With respect to the recommendations in progress, status updates were provided by management and reviewed by the Audit Department. In all cases, the reasons for postponement appeared reasonable.

Actions are underway for the remaining recommendations in progress. The Public Service has reported that two of the 21 recommendations in progress should be implemented by September 30, 2016. The status of the recommendations in progress will be the focus of our next report card.

Overall, management has fully implemented 82 per cent or 135 of the applicable recommendations made by the Audit Department.

The status of recommendations related to the Real Estate Management Review, the New Fire Paramedic Stations Construction Project and the Winnipeg Police Service Headquarters Construction Project Audit are reported under separate cover.
