TO THE CHAIRPERSON AND MEMBERS
OF THE ASSINIBOIA COMMUNITY COMMITTEE

RE: FILE NO. DAC 17/2003 – PROPOSED CLOSING OF THE PUBLIC LANE AT THE REAR OF 1719 PORTAGE AVENUE SAINT JAMES – BROOKLANDS WARD

RECOMMENDATION:
That the Community Committee approve the proposed closing and recommend:

I. That the City Solicitor be instructed to prepare the necessary by-law for submission to Council to effect the closing in accordance with the attached **Schedule "A"** , Misc. Plan No. ASBA 9171.

II. That the proper officers of the City be authorized to do all things necessary to effect the intent of the foregoing.

REASON:
All street and lane closings require the consideration of the Community Committee.

HISTORY:
The subject lane was created by two plans of subdivision between 1906 and 1944. The lane is contained within the parking lot at the rear of the Saint James Hotel at 1719 Portage Avenue and serves no public purpose.

The Saint James Hotel has enquired about purchasing the lane.

DISCUSSION:
Transfer of Jurisdiction Over Public Rights-of-Way

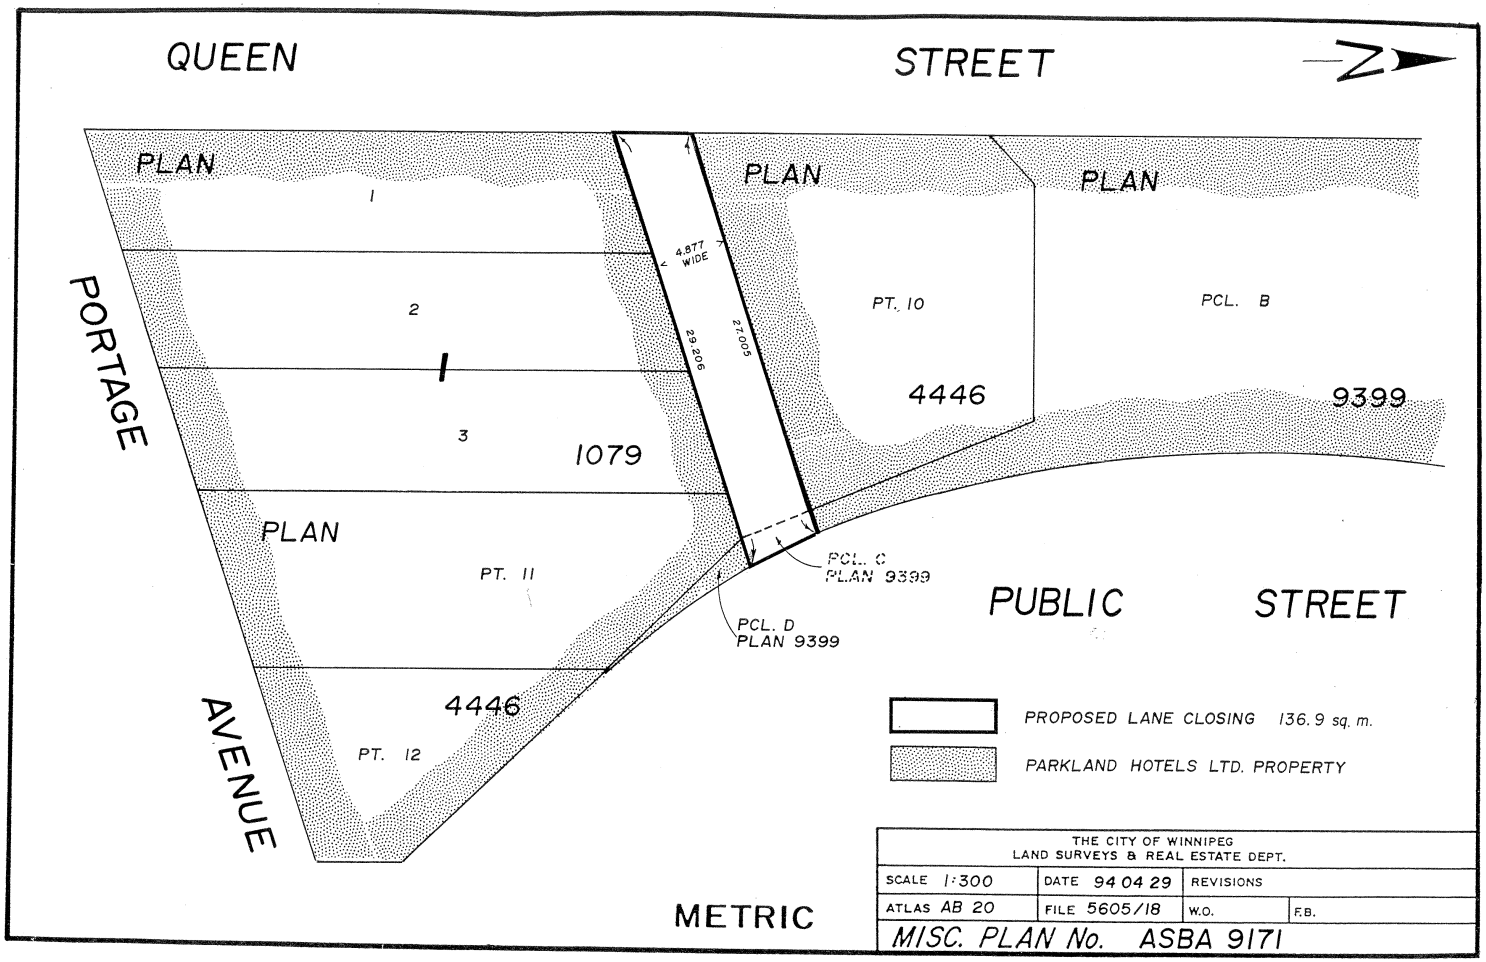

The lane must be legally closed before it may be sold. Title to all public rights of way in Manitoba is vested in the name of the Province. The registration in the Winnipeg Land Titles Office of a closing by-law removes the public right of way status from the land and vests the ownership of the property in the City's name. The City is not entitled to dispose of the land until this has been done.

Administrative Approval

The proposal has been considered by all affected City departments and public utilities. There are no administrative objections to the closing of the lane and its subsequent sale.

The Public Works Department has advised that Private Approach approval will be necessary if the applicant intends to maintain the lane turn-out as a private approach; if not the applicant should be responsible for the removal of the lane turn-out and the restoration of the curb, boulevard and/or sidewalk.
