Dear Ms. Timmins:

ZONING AGREEMENT AMENDMENT
655 Leila Avenue
Lord Selkirk – West Kildonan Community
File No. ZAA 11/03

An application has been received from Raymond Wan Architect, on behalf of the Greater Kildonan Development Corporation, to amend the Zoning Agreement affecting the property shown below by amending Clause #2 to permit a maximum of thirty (30) dwelling units, and amending Clause #3 to permit a maximum building height of six (6) storeys.

SITE DESCRIPTION:

Existing Land Use and Zoning:

The site is currently vacant, and is zoned RM-6 Multi-Family Residential. The overall site area is approximately 26,250 square feet (0.6 acres).

Surrounding Land Use and Zoning:

North: Mathias Avenue, then detached and attached residential buildings (R2 & R1-5).
South: Leila Avenue, then strip mall commercial (C-2), then detached residential buildings (R1-5 & R1-6).
East: Multi-family residential (RM-6), then Monsey Street, then Multi-family residential (RM-4).
West: Multi-family residential (RM-2), then Sinclair Street, then Multi-family residential (RM-L).

DEVELOPMENT DESCRIPTION:

The applicants propose to amend Zoning Agreement DAZ 202/96 by amending Clause No. 2 from a maximum of twenty-nine (29) dwelling units to a maximum of thirty (30) dwelling units, and amending Clause No.3, from a maximum building height of five (5) storeys to a maximum building height of six (6) storeys. If the amendment is granted, the applicant would be permitted to construct a multi-family residential building with one additional dwelling unit and one storey higher than currently permitted on site under the existing zoning agreement.

ADMINISTRATIVE COMMENTS:

The Planning and Land Use Division has no objection to this request. The number of dwelling units and the proposed maximum height of six (6) storeys are consistent with the existing multi-family residential building immediately adjacent. Moreover, this portion of Leila Avenue is predominantly multi-family residential in character, and the proposed amendments are consistent with this character. An associated variance application (DAV 03-326551D) has been filed for this property, requesting variances in terms of setbacks and maximum projections of balconies into required yards.

RECOMMENDATION:

I. That Zoning Agreement DAZ 202/96 (By-Law 6844/96), be amended by amending Clause No. 2 to permit a maximum of thirty (30) dwelling units; and by amending Clause No. 3 to permit a maximum building height of six (6) storeys.

II. That the City Solicitor be requested to prepare the necessary Amending Agreement to Zoning Agreement DAZ 202/96 (By-Law 6844/96), as approved in aforesaid Clause I.

III. That the Proper Officers of the City are hereby authorized to execute said Amending Agreement.

IV. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Yours truly,

C. Knoll
