REASON FOR THE REPORT

Council approval is required to enter into the Agreement with the Province of Manitoba.

EXECUTIVE SUMMARY

The Agreement is intended to govern the use of the Winnipeg Police Service (WPS) firing range facility located at 1745 Wyper Road (the Range) by all Investigative Units or law enforcement-related departments operated by the Province who may request its use for training and to receive annual qualification.

IMPLICATIONS OF THE RECOMMENDATIONS

The WPS will provide a qualified Basic Firearms Instructor at the Range as necessary to deliver the training. While there is no facility use charge, the Province will entirely fund the salary and benefit costs for WPS members providing the training.

HISTORY

In the past, the WPS Range has been accessed by various Province of Manitoba Investigative Units and or Law enforcement related units for training and qualification purposes. It is anticipated that all such requests for training and qualification will now be conducted by qualified firearm instructors who are members of the WPS.

The Service will assist members by conducting the firearms training required, under the direction of a qualified Basic Firearms Instructor at the WPS Range. The use of the Range will be subject to availability as determined by the WPS Range Master.

As stated in the Agreement, the WPS will not charge the Province for the use of the Range. The Province agrees to fund all costs associated with the instructors for the training and recertification. This Agreement may be terminated by either Party upon thirty (30) days written notice.
