RE: EXTENSION OF TIME – Proposed subdivision and rezoning on land located at 3584, 3586 and 3590 Portage Avenue – DASZ 10/99

RECOMMENDATION:

That your Community Committee recommend to the Standing Policy Committee on Property and Development that it recommend to Council that the time to provide for the enactment of the necessary subdivision and rezoning by-law under File No. DASZ 10/99 be extended to October 22, 2005.

REASON:

Council approval is required for all extension of time applications.

HISTORY:

On September 22, 1999 Council adopted Clause 6 of the report of the Standing Policy Committee on Property and Development dated September 2, 1999 which clause recommended approval of the subject rezoning to an "RM-3" MULTIPLE-FAMILY DISTRICT as shown on the attached Schedule "A" to allow for the construction of a multiple-family development and to amend the existing Zoning Agreement to permit parking within 200 feet of the south limit of Portage Avenue.

Recommendation VI contained in said report stipulates:

> "That in the event this application is not proceeded with expeditiously and the By-law is not enacted within 24 months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless Council extends that time."

The By-law has not been enacted and the 24 month time limit expired on September 22, 2001.

DISCUSSION:

The applicant, Home Enhancement Solutions Inc., Attention: Mr. Jack Goods, 189 Hendon Avenue, Winnipeg, Manitoba, R3R 2C1 is requesting a two-year extension of time in order to complete the necessary subdivision and rezoning requirements. The applicants have recently purchased the subject land from the previous owners who were unable to market the land and make their project viable. The new owners are now anxious to proceed expeditiously with the subject rezoning and subdivision application. The Administration has reviewed the request for the extension of time and is of the opinion that approval of the subject extension of time would be acceptable in view of the fact that the City's interests remain secured and circumstances leading to the original approval remain unchanged.

Past practice has been for the Planning, Property and Development Department to accept applications for the extensions of time after the expiry date stipulated by Council. However a recent interpretation by the Legal Services Department has indicated that the application for the extension require that all extensions of time be made prior to the expiry date, and be processed and approved by all necessary committees prior to that date. All ongoing applications will now be processed in this manner, however this matter is now being brought forward based on past practice.
