Dear Ms. Timmins:

ZONING AGREEMENT AMENDMENT
365 William Avenue
Lord Selkirk - West Kildonan Community
File No. ZAA 10/03

An application has been received from Pre-Con Builders, on behalf of Marvin Investments Inc., to amend the Zoning Agreement by deleting Clauses No. 2 through No. 5, to permit the construction and expansion of a non-accessory parking lot.

RELATED FILES: DAZ 263/89 (Zoning By-Law No. 5791/91); DAV 03-329534D

SITE DESCRIPTION:

Existing Land Use and Zoning:

The site is currently vacant and under development as a non-accessory parking lot. The property is zoned M1 Industrial, which permits non-accessory parking lots. The overall site area is approximately 28,600 square feet (0.66 acres).

Surrounding Land Use and Zoning:

North: An alley, then detached and attached residential buildings (R2).
South: William Ave., then various surface parking lots, industrial buildings, and civic office (M1).
East: A surface parking lot, then industrial / commercial retail buildings (M1).
West: Detached residential buildings (R2), then Ellen St.

DEVELOPMENT DESCRIPTION:

The applicant is in the process of developing the site as a non-accessory parking lot, which is a permitted use in a M1 Industrial zoning designation. In order to maximize the site, the applicant has proposed to amend Zoning Agreement DAZ 263/89 (Zoning By-Law No. 5791/91) by deleting Clauses No. 2 through No. 5. Clause No. 2 prohibits the storage of goods, materials, equipment, or vehicles (except vehicles belonging to employees) within forty (40) feet of the western property boundary. Clause No. 3 requires that all portions of the site utilized for outside storage be enclosed by a fence of a design approved by the Commissioner of Planning and Community Services. Clause No. 4 prohibits the construction of buildings or issuance of building permits for development of the site without Schedule "A" approval, and the signature of the Commissioner of Planning and Community Services. Clause No. 5 requires that all fencing and landscaping shown on the Schedule "A" plans to be completed within six (6) months of the issuance of a building permit. In addition to the proposed amendments, the applicant has also applied for variances to the mandated front yard and side yard setback requirements (see related file DAV 03-329534D). If the proposed amendments and variances are granted, the applicant would be permitted to develop the entire site as a non-accessory parking lot, with the exception of an eight (8) foot landscape strip along William Avenue.

ADMINISTRATIVE COMMENTS:

While the Planning & Land Use Division has some concerns in regards to the associated variance application (see related file DAV 03-329534D), in general there is no opposition to the proposed amendments to the zoning agreement. Clauses No. 4 and No. 5 relate to approval processes for site improvements that may no longer be appropriate. Clauses No. 2 and No. 3 relate to buffering and screening outdoor storage and materials from public view and the existing residential properties to the west. These provisions would no longer be appropriate if the property's sole use was as a non-accessory parking lot; however, the use of the site could revert to a more impactive industrial use in the future. In light of these considerations, the Planning &

Land Use Division recommends that the clauses be removed, and replaced with a clause restricting the use of the site to “accessory and non-accessory parking” only.

RECOMMENDATION:

I. That Zoning Agreement DAZ 263/89 (Zoning By-Law No. 5791/91), be amended by amending Clause No. 2 to read “ The permitted uses of the site are restricted to accessory and non-accessory parking areas only”, and striking Clauses No. 3 through No. 5.

II. That the City Solicitor be requested to prepare the necessary Amending Agreement to Zoning Agreement DAZ 263/89 (Zoning By-Law No. 5791/91), as approved in aforesaid Clause I.

III. That the Proper Officers of the City are hereby authorized to execute said Amending Agreement.

IV. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Yours truly,

C. Knoll
