STANDING POLICY COMMITTEE ON INFRASTRUCTURE RENEWAL

AND PUBLIC WORKS

QUESTION PERIOD

Minute No. 499
Councillor Wyatt asked where the City was at with regard to accessing federal funding and when Council would be asked to weigh in on priorities. Councillor Lukes replied that she had been working on a wish list on the transit file with the Department and that it would be coming to Council at some point.

Councillor Wyatt asked, with regard to transit, if it was short term money versus long term money and if there would be two separate reports. Councillor Lukes replied there were no details yet.

Councillor Wyatt asked if this would be an opportunity to increase the size of the transit fleet, to which Councillor Lukes replied in the affirmative.
