STANDING POLICY COMMITTEE ON INNOVATION

QUESTION PERIOD

Minute No. 546

Councillor Wyatt asked what amount of the $1 million set aside in the Innovation Fund was accessed by the public service to date; to which Councillor Browaty replied the figures were still being finalized, and the Committee would be processing all the submissions received and would be processing payments from the Innovation Capital Fund in October.

Councillor Wyatt inquired how much of the money had been accessed or committed; to which Councillor Browaty replied it would be determined in October.

Councillor Wyatt asked if the capital funding was not accessed or earmarked, would the funding roll over to 2017; to which Councillor Browaty replied it would be up to Council to make that decision through the budgeting process.

Councillor Allard inquired about next steps in providing Wi-Fi in public facilities and when Council would get an update in this regard; to which Councillor Browaty replied an update would come to the October meeting of the Innovation Committee.
