Dear : Mr. Pittet

REZONING
Location : 649 Archibald St.
Riel Community Committee
File No. DAZ 227 /03

An application has been received from Classic Fireplaces, to amend By-Law No. 6400/94 by rezoning the land shown below from a " C1" Commercial District to a "C2" Commercial District to allow for a building materials sales use on the property.

RELATED FILES: DAV03-322327D

SITE DESCRIPTION:

Site Area:

The overall site area totals approximately 7260 sq. ft. The property which is a corner lot has 66 feet of frontage on Archibald St.

Existing Land Use and Zoning:

The existing building which is a one storey structure is currently vacant. It was formerly used to house a clothing repair/ design business(Yee Lai Designs). The land is presently zoned "C1" Commercial.

Surrounding Land Use and Zoning:

North: To the north is an open space area, owned by the City of Winnipeg, and zoned PR-1 Public Reserve.
South: To the immediate south is a business, European Art Glass, zoned C1 Commercial.
East: To the east, across Archibald, is a new Tim Hortons franchise , zoned C2 Commercial.
West: To the west is an established single family neighbourhood, zoned R2 Residential.

DEVELOPMENT DESCRIPTION:

The prospective new owners, Classic Fireplaces, intends to operate a high end retail outlet for electric fireplaces and stoves and locally manufactured gas fireplaces and stoves. They currently operate and will continue to operate their main store at 329 Cumberland. Proposed hours of operation will be Monday through Friday from 9AM-6PM and Saturday from 10AM – 5PM. The building which once housed a clothing design business has been vacant for almost a year.

PLAN WINNIPEG:

Under Plan Winnipeg, the subject site is situated in a Neighbourhood Policy Area which allows for commercial development. The application complies in all aspects with Plan Winnipeg Policy.

ADMINISTRATIVE COMMENTS:

The proposed use, in our view, is an appropriate use at the subject location and should not have any adverse effect on neighbouring homes to the west. The prospective owners intend to retail electric and gas fireplaces from the building and are not manufacturing their products on site. There are currently six(6) parking stalls at the rear of the building which meets the by-law requirements and should be more than adequate to provide for employee and customer needs. Up until recently the building was occupied by a clothing design business, Yee Lai Designs. Procedurally, because the proposed use is not a permitted use under the current zoning, the applicants are required to rezone the site to a "C2" Commercial Zoning. In order to occupy the

building and begin with the necessary renovations etc., they are also applying for a temporary use variance which allows them to proceed in advance of the rezoning being finalized.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 227/01, attached hereto and dated Sept.1/03 to a " C2" Commercial District.

II. That a 10 percent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty four (24) month period and the extension is subsequently approved by Council.

IV. That the City Solicitor be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Final

Yours truly,
