REPORT

REASON FOR THE REPORT:

Council must approve all Entertainment Funding By-law exemptions.

HISTORY:

The Entertainment Funding By-law No. 7710/2000 was adopted in September 2000, wherein the former Amusement Tax By-law was replaced. A report to the Standing Committee on Fiscal Issues is prepared for each scheduled meeting if an application for exemption is received. The report was first submitted for the meeting of January 16, 2001 and for each meeting thereafter as required.

DISCUSSION:

An amusement or place of amusement may be listed in Schedule "A" where an organization has submitted an application for exemption. Listings are intended to assist locally based charitable and not-for-profit cultural or athletic organizations in producing entertainment and sporting events with admission prices at a level which will encourage a broad audience. Listings are not intended to apply where an amusement is held for fund raising events in which the performers or promoters profit or where the exemption would result in for-profit gain.

The Administration has conducted a thorough review of the applications received for exemption from the Entertainment Funding By-law in accordance with the criteria set in Schedule "B" of By-law No. 7710/2000. It is recommended that Council approve listing in Schedule "A" for The National Screen Institute – Canada with respect to the Entertainment Funding Tax exemption as the organization has satisfied the criteria set forth in Schedule "B ".

Furthermore, the Administration recommends that Council deny listing in Schedule "A" for an Entertainment Funding Tax exemption for the following organizations as they have not satisfied the criteria set forth in Schedule "B":

Name of Organization	Name of Event	Criteria Not Satisfied
St. David's Society of Winnipeg	Concert –North American Welsh Choir on October 25, 2003.	• Limited local content, section 4 of Schedule B of By-law No. 7710/2000.
Mennonite Economic Development Associates	Not applicable (general listing).	• Payment to performers exceeds the amount allowed in clause 3(b) of Schedule B of By-law No. 7710/2000. • The organization does not render services to an identifiable group, section 1 of By-law No. 7710/2000.

FINANCIAL IMPACT STATEMENT

The financial impact of approving the application for exemption from the entertainment funding tax is unknown. The tax revenue that could be generated from the event hosted by this organization cannot be quantified because the event has not yet occurred. Similarly, there are no financial implications for those applications recommended for denial.
