RECOMMENDATIONS

1. That the proposed street opening as shown on Misc. Plan No. 11200/4 be approved.

2. That the proposed public lane rededication as shown on Misc. Plan No. 11200/4 be approved.

3. That the Director of Legal Services and City Solicitor be instructed to prepare the necessary by-law for submission to Council to effect the street opening in accordance with Misc. Plan No. 11200/4.

4. That the Proper Officers of the City be authorized to do all things necessary to effect the intent of the foregoing.

REASON FOR THE REPORT

All street openings and right of way rededications not previously approved by Council require the consideration of the Community Committee.

EXECUTIVE SUMMARY

The subject opening is City owned land which adjoins additional City property being sold to Qualico Developments (Winnipeg) Ltd. It has been excluded from the sale because it is required for future roadway improvements and intersection upgrades at this location. As a condition of the Offer to Purchase, Qualico is required to submit a DAO application as well as

cover all costs for the opening requirement. The rededication of the public lane will provide a uniform designation to the entire widening area on the north side of Maginot Street.

IMPLICATIONS OF THE RECOMMENDATIONS

There are no policy, regulatory, environmental, human resource or general implications associated with the recommendations.

All costs associated with the street opening and public lane rededication are the responsibility of the applicant. There are no financial implications for the City of Winnipeg.

HISTORY/DISCUSSION

In October of 2015, the Real Estate Division accepted an Offer to Purchase from Qualico Developments (Winnipeg) Ltd. for the acquisition of surplus City land identified as "City Property Available for Sale" on the attached copy of Misc. Plan No. 11200/4. The subject opening was excluded from the sale because it was required for roadway improvements to the Maginot Street and Speers Road intersection. One of the conditions of approval was for the Purchaser to submit an opening application (DAO) for the future street widening. An Addendum to the Offer to Purchase furthermore required the Purchaser to submit a closing application (DAC) to effect the closing of the unimproved north/south and east/west lane adjoining the City property being sold.

Qualico has now submitted both opening and closing applications for the Maginot property. The subject opening fulfills part of the condition of approval. The lane closing is being held in abeyance pending the final determination of the extent of the westerly closing boundary.

Discussion

The Planning, Property and Development Department has received an application from Qualico Developments (Winnipeg) Ltd. to open the north side of Maginot Street so identified on the attached copy of Misc. Plan No. 11200/4. The opening is required in order to facilitate future roadway improvements and intersection upgrades at this location.

The rededication of part of the Public Lane on either side of the opening area will provide a uniform designation of "Maginot Street" to the entire length of the widening.

CONSULTATION

In preparing this Report there was consultation with:

Internal Consultation:

There was consultation with the affected Civic departments.

OURWINNIPEG POLICY ALIGNMENT

Section 235 of *The City of Winnipeg Charter* states that *"…public works, undertakings and development in the city must be consistent with Plan Winnipeg or any secondary plan."*

The subject opening does not contravene *OurWinnipeg* or the *Complete Communities Direction Strategy* and generally aligns with their overall vision and key directions.
