1. That the time limit to provide for the enactment of the necessary rezoning by-law under File No. DASZ 30/2014 be extended to January 31, 2018.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

EXECUTIVE SUMMARY

Development application DASZ 30/2014 requires the applicant to enact a re-zoning by-law within two (2) years of adoption of the report by Council. The time limit for enactment by Council of the necessary rezoning by-law will expire on January 28, 2017. The Developer is requesting an extension of time in order to satisfy the necessary by-law enactment requirements.

The Winnipeg Public Service has no objection to this request.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendation is concurred in, the Developer will be allowed a time extension to January 31, 2018 to enact the required re-zoning by-law under DASZ 30/2014.

HISTORY/DISCUSSION

On January 28, 2015, Council adopted Item No. 6 of the report of the Standing Policy Committee on Property and Development dated January 13, 2015 which recommended approval of the subject subdivision and rezoning to an “RMU” Residential Mixed Use District under the Winnipeg Zoning By-law 200/2006. See Appendix "A" map attached.

Recommendation 4 contained in said report stipulates:

> "That in the event the matter is not proceeded with expeditiously and the by-law is not passed within two years after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the two year period and Council approves the extension is subsequently approved by Council."

The necessary by-law has not been passed and the two-year period will expire on January 28, 2017.

The applicant, Mr. Harry A. Haid Architect, 303-92 Lombard Avenue, Winnipeg, Manitoba R3B 3B1 on behalf of the Developer, Westminster Housing Society (WHS) is requesting an extension of time in order to satisfy the necessary by-law enactment requirements. See Appendix “B” attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.
