RECOMMENDATIONS

1. That the time limit to provide for the enactment of the necessary rezoning by-law under File No. DASZ 38/2013 be extended to February 26, 2018.

2. That the Proper Officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

EXECUTIVE SUMMARY

Pursuant to approvals under DASZ 38/2013, the Developer is required to enact a re-zoning by-law and execute the necessary Servicing Agreement and Zoning Agreement with the City.

The time limit for enactment by Council of the necessary rezoning by-law under DASZ 38/2013 will expire on February 26, 2017. The Developer has requested an additional one year extension to complete their due diligence in advancing the project.

The Winnipeg Public Service has no objection to this request.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendation is concurred in, the Developer will be allowed a time extension to February 26, 2018 to enact the required re-zoning by-law under DASZ 38/2013.

HISTORY

On February 26, 2014, Council adopted Item No. 2 of the report of the Standing Policy Committee on Property and Development dated February 18, 2014 which recommended approval of the subject subdivision and rezoning to an “RMF-L” Residential Multi-Family Large District and a “PR1” Parks and Recreation District under the Winnipeg Zoning By-law 200/2006. See Appendix "A" approved map attached.

Recommendation 4 contained in said report stipulates:

> "That in the event the matter is not proceeded with expeditiously and the by-law is not passed within two (2) years after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the two (2)-year period and Council approves the extension."

The original expiry date for the by-law to be passed was February 26, 2016. The applicant applied for and was successful in obtaining a one year extension to February 27, 2017 to pass the by-law.

Articulate Design Union, 673 Mulvey Avenue, Winnipeg, Manitoba R3M 1G2 on behalf of the Developer, 6509666 Manitoba Ltd, is requesting an additional extension of time in order to satisfy the necessary by-law enactment requirements. See Appendix “B” attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.

Dear Greg Jasper,

RE: Request for Extension of Time for No. DASZ 38/2013

I would like to request a 1 year extension of the time for the application file No. DASZ 38/2013 for subdivision and zoning of 1916, 1918, and 1920 St Mary's Rd. The Owners of this property/project applied for an extension last year this time due to the death of their partner and prime consultant Ernie Walter. 1 year later (present day) they have consolidated a new partnership and are in the process of arranging the finances to move this project forward but still need some more time.

The subdivision mylars are prepared and will be filed once they have finished planning talks with the bank.
