STANDING POLICY COMMITTEE ON FINANCE

QUESTION PERIOD

Minute No. 220
Councillor Schreyer stated that he was scheduled to meet with Councillor Gillingham tomorrow to begin budget consultations; he further advised that he takes his budgetary consultations to the street to get most of the information by which he makes decisions, and asked if Councillor Gillingham would consider an invitation to have a financial consultation event in the East Kildonan-Transcona Ward sometime this spring. Councillor Gillingham replied that he would be glad to.

Councillor Eadie inquired if the Chair of Finance could empower him to get detailed account information from all departments so he could try to find money for some really good initiatives; to which Councillor Gillingham replied that he would willing meet with the Councillor to discuss the matter further.
