Dear : Mr. Pittet

REZONING
Location : 40 Cromwell St.
Riel Community Committee
File No. DAZ 235/03

An application has been received from Nelson Collins, Collins & Associates, to amend By-Law No. 6400/94 by rezoning the lands shown below from an “ R2-T” Transitional Residential District to a “ C1-5” Commercial District to allow for the maintenance of an accounting office in what was formerly a single family residence.

RELATED FILES:DAVO3-329627D

SITE DESCRIPTION:

Site Area: The lot in question has a total area of 5995 sq. ft. and 55 feet of frontage on Cromwell St.

Existing Land Use and Zoning:

The on site building was originally a single - family dwelling. It is currently being utilized for business purposes; specifically an accounting business. It is currently zoned R2-T Residential.

Surrounding Land Use and Zoning:

North: Across Cromwell to the north is a commercial business zoned C2. And adjacent to that business are several apartment blocks zoned R2-T Residential.

South: To the south is an open space area zoned PR-1 and several more apartment blocks zoned R2-T Residential.

East: To immediate east is an apartment block zoned R2-T and a commercial business (convenience store) zoned C2 Commercial.

West: To the west is a recreational / open space area zoned PR-1.

DEVELOPMENT DESCRIPTION:

The applicants wish to continue operating their accounting business which must be legitimised by rezoning to a commercial category. In addition, they have made application with the City to purchase a small portion of the park space at the rear of their property. If successful they will be able to provide alternative access to their lot via the rear lane. The City has not committed as yet to the sale of the aforementioned land . They are awaiting results of the subject rezoning.

PLAN WINNIPEG:

The subject lot falls within a designated Neighbourhood Policy Area which allows for the establishment of commercial uses.

ADMINISTRATIVE COMMENTS:

The subject building is somewhat isolated from other single family dwellings to the south. It lies almost completely surrounded by apartment buildings and small commercial businesses. The existing use does not generate much traffic/activity and the staff component is small . It should be further noted that C1-5 Commercial is a highly restrictive zoning category and does not allow as of right uses which are generally deemed incompatible with residential neighbourhoods. It is therefore recommended that your Committee endorse the subject application as submitted.

RECOMMENDATION:

I. That By-law 6400/94 be amended by rezoning the subject land as shown on Schedule "A", for file DAZ 235/03, attached hereto and dated October 28,2003, to a " C1-5" Commercial District.

II. That a 10 per cent dedication be made by a payment of a sum of money to the City in lieu of the requirement for land dedication based on the increase in the market value of the land.

III. That, in the event this application is not proceeded with expeditiously and the by-law is not enacted within twenty-four (24) months after adoption of this report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this twenty four (24) month period and the extension is subsequently approved by Council .

IV. That the City Solicitor be requested to prepare the necessary rezoning by-law and forward same to Council for all three readings.

V. That the City Solicitor be requested to do all things necessary for implementation in accordance with the terms of The City of Winnipeg Charter.

Final

Yours truly,

C. Knoll
