HISTORY/DISCUSSION

An Effectiveness Evaluation of the Winnipeg Police Board was endorsed by the Audit Committee in the City Auditor's Audit Plan 2015–2018 – 2016 Update. A formal evaluation of the Winnipeg Police Board's ("the Board") effectiveness is required every three years by the policies and procedures of the Manitoba Police Commission. The Board requested that the Audit Department conduct its first evaluation in 2016.

The evaluation consisted of a survey that was completed by Board members and selected stakeholders, and a policy and procedures checklist that the Audit Department compared to supporting information provided by the Board. The evaluation identified areas where the Board is performing well and areas where the Board may want to focus for improvement.

We provided our report to the Board's Risk Management and Audit Committee on January 23, 2017. The report was included in the Risk Management and Audit Committee's report at the Board's February 3, 2017 meeting. A copy of the Effectiveness Evaluation can be found attached to those minutes in the City's Decision Making Information System at the following link: Winnipeg Police Board Effectiveness Evaluation.
