Item No. 9 Addition to the List of Historical Resources – 90 Annabella Street – J.R. Watkins Company Factory & Warehouse

STANDING COMMITTEE RECOMMENDATION:

On April 19, 2017, the Executive Policy Committee concurred in the recommendation of the Standing Policy Committee on Property and Development, Heritage and Downtown Development and submitted the following to Council:

1. That the J.R. Watkins Company Factory & Warehouse, 90 Annabella Street, be added to the List of Historical Resources, with the following character defining elements:

   Exterior:
   - Eight-storey limestone, brick and concrete building with flat roof located on the west side of Annabella Street, its north façade facing the railway right-of-way, its south façade facing Higgins Avenue, its east façade facing Annabella Street and its west façade facing a parking lot;
   - All of its façades featuring dark hued brick cladding, ornamental brickwork, large rectilinear window openings on all floors, stone belt courses, stone framed entrances and window openings and heavy overhanging cornices; and
   - North façade with central bay with windows in rectilinear openings separated by wide stone panels and topped by an arched window.

   Interior:
   - Concrete structural system; and
   - Detailing of the east side staircase.

2. That the Proper Officers of the City be authorized to do all the things necessary to implement the foregoing.
