EXECUTIVE SUMMARY

Bonaventure Developments Ltd. and Waterside Development Corp. have requested the City's consent to the assignment by Bonaventure Developments Ltd. of all its rights, entitlements, interests and obligations as Developer under Development Agreement AG 14/81 to Waterside Development Corp.

The Winnipeg Public Service has no objection to this request.

RECOMMENDATIONS

1. That the City consent to the assignment of Development Agreement AG 14/81 from Bonaventure Developments Ltd. to Waterside Development Corp.

2. That the Proper Officers of the City be authorized to do all things necessary to effect the intent of the foregoing.

REASON FOR THE REPORT

The assignment of a Development Agreement requires Council approval.

IMPLICATIONS OF THE RECOMMENDATIONS

Concurrence with this recommendation will enable Waterside Development Corp. (Waterside) to assume all rights, entitlements, interests and obligations of Development Agreement AG 14/81, including developer paybacks.

HISTORY/DISCUSSION

The City entered into Development Agreement AG 14/81 with Bonaventure Developments Ltd. (Bonaventure) effective August 19, 1981. The Planned Area is shown in Appendix “A” attached.

Bonaventure has made all payments, registered all plans and transfers of land, and has fully serviced the Planned Area to the satisfaction of the City, effectively satisfying all of their covenants contained in Development Agreement AG 14/81.

The only outstanding matter is a potential future developer payback for privately-owned properties adjacent to the Planned Area in accordance with the Agreement. To this end, Bonaventure and Waterside have agreed, through private agreement, and by the City consenting to this assignment, that if and when these privately-owned lands are developed, that Waterside will be entitled to receive any future recoveries made by the City, from the date of this assignment.

Council has consented to the assignment of Development Agreements in the past.
