EXECUTIVE SUMMARY

Pursuant to approvals under DASZ 21/2009, the Developer is required to enact a rezoning by-law, execute a required Servicing Agreement with the City and register the plan of subdivision at Winnipeg Land Titles Office.
The time limit for the Coming into Force provision of By-law No. 65/2010, under File No. DASZ 21/2009, will expire on April 7, 2017 unless the expiry date is extended. The Developer, Giancola Construction Ltd., has requested a third extension of time to finalize the related agreements and register the plan of subdivision and City easements as required.
The Winnipeg Public Service has no objection to this request.

RECOMMENDATIONS

1. That the time limit to satisfy the Coming into Force provisions of By-Law No. 65/2010 be extended to April 9, 2018.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendation is concurred in, the Developer will be allowed a time extension to April 8, 2018 to complete the necessary registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On November 25, 2009, Council adopted Item No. 2 of the report of the Standing Policy Committee on Property and Development dated November 3, 2009 which clause recommended approval of the subject subdivision and rezoning to a "R1-M" RESIDENTIAL SINGLE FAMILY (Medium) DISTRICT to allow for the creation of three (3) additional residential lots fronting onto Williamson Crescent. The rezoning By-law No. 65/2010 was passed by Council on June 23, 2010. See Appendix "A" map attached.

Section 3 of By-law No. 65/2010 stipulates:

"**Coming into force**

> "3(1) Section 1 comes into force when The City of Winnipeg executes the Servicing Agreement referred to in that section, which execution notwithstanding passage of this By-law shall remain in the absolute discretion of City Council.
>
> (2) Section 2 comes into force when the plan of subdivision is registered in the Winnipeg Land Titles."

On September 25, 2013 Council concurred with Item No. 11 of the report of the Standing Policy Committee on Property and Development dated September 10, 2013 recommending that the time limit to provide for enactment of Zoning By-law No. 65/2010 coming into force be extended to June 30, 2014.

On May 18, 2016 Council concurred with Item No. 5 of the report of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated May 10, 2016 recommending that the time limit to provide for enactment of Zoning By-law No. 65/2010 coming into force be extended to April 7, 2017.

By-law No. 65/2010 has not come into force by the registration of the Plan of Subdivision in the Winnipeg Land Titles Office and the final execution of the required Servicing Agreement. Following recent updates to the legal survey the Developer has submitted new plans of subdivision and updated lot grading designs for City review and

approval. The Servicing Agreement has been drafted by the City and is under review at this time by the affected City Departments.

The Developer, Giancola Construction Ltd., represented by John Giancola and Tammy Giancola are requesting an additional extension of time to complete the necessary Servicing Agreement and plan registrations. They intend to proceed with the undertaking of the development and all requirements under DASZ 21/2009; however, by-law extension approvals are being requested as the current time limit of April 7, 2017 is approaching. See Appendix "B" attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.
