EXECUTIVE SUMMARY

This report requests that Council declare the City-owned property located adjacent to 124 Bournais Drive and 1687 Dugald Road as surplus. This approval will enable the Public Service to sell a portion of the property to each of the adjoining owners.

RECOMMENDATIONS

1. That the City-owned property legally described as Parcels “A”, “B”, and “C”, Plan 14838 WLTO
   In RL 120 Parish of St Boniface and In Lot “A” Roman Catholic Mission Property and identified as “Subject City Property” on the attached Misc. Plan No. 14851/2, be declared surplus to the needs of the City.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required to declare the City-owned property surplus to the needs of the City.

IMPLICATIONS OF THE RECOMMENDATIONS

- The Public Service intends to sell the subject City-owned property to the two adjoining owners in accordance with the delegated authority granted to the Director of Planning, Property and Development for the sale of small parcels that are not developable on their own (e.g. location, size, remnant parcel).
- There are no regulatory or human resource implications associated with this report.
- There are no direct financial implications associated with this recommendation.
- The City's standard terms and conditions of sale will include provisions to protect the City's interests in the event that environmental contamination is discovered.

HISTORY/DISCUSSION

The subject City-owned property was a part of the former Mission Street right-of-way, legally closed in 1979 (approx.). The City-owned property is encumbered by a pipeline easement.

The Department was approached by the owner of 124 Bournais Drive on the possible acquisition of the subject property.

The property was circulated to all City departments and no Civic need was identified.

Subject to the property being declared surplus by Council, the Department intends to sell the subject City property to each of the adjoining owners, Parcel A & B to the owner of 124 Bournais Drive and Parcel C to the owner of 1687 Dugald Road, for consolidation with their current holdings.

The Ward Councilor was consulted and concurs with the intentions of the Department.

FINANCIAL IMPACT

Financial Impact Statement **Date:** **March 16, 2017**

Project Name:

Approval to Declare the City-Owned Property located adjacent to 124 Bournais Drive and 1687 Dugald Road identified as "Subject City Property" on the attached Misc. Plan No. 14851/2 surplus to the needs of the City

COMMENTS:

There are no direct financial implications associated with declaring the subject property surplus to the needs of the City. The Department intends to sell the subject City property, for gross proceeds of +/- $91,000, to the two adjoining owners in accordance with the delegated authority granted to the Director of Planning, Property and Development for the sale of small parcels that are not developable on their own (e.g. location, size, remnant parcel).
