EXECUTIVE SUMMARY

Pursuant to approvals under DASZ 18/2014, the Developer is required to enact a rezoning by-law and execute the necessary Development Agreement and Zoning Agreement with the City.

The time limit for enactment by Council of the necessary rezoning by-law under DASZ 18/2014 will expire on March 25, 2017. The Developer has been working on subdivision and development plans for the site and has requested an extension to enact the required rezoning by-law.

The Winnipeg Public Service has no objection to this request.

RECOMMENDATIONS

1. That the time limit to provide for the enactment of the necessary rezoning by-law under File No. DASZ 18/2014 be extended to March 30, 2018.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendation is concurred in, the Developer will be allowed a time extension to March 30, 2018 to enact the required rezoning by-law under DASZ 18/2014.

HISTORY/DISCUSSION

On March 25, 2015, Council adopted Item No. 1 of the report of the Standing Policy Committee on Property and Development dated March 13, 2015 which recommended approval of the subject subdivision and rezoning to a “R1-S” and “R1-M” Residential Single Family Districts; a “C2” Commercial Community District; and “PR-1” Parks and Recreation District under the Winnipeg Zoning By-law 200/2006. See Appendix "A" map attached, subject to minor changes.
Recommendation 4 contained in said report stipulates:

> "That in the event the matter is not proceeded with expeditiously and the by-law is not passed within two years after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of the two-year period and Council approves the extension."

The necessary by-law was not passed and the two-year period will expire on March 25, 2017.
On February 24, 2017, the Developer, Mr. John Wiebe of North Grassie Properties Inc., Box 25094, Mission Park P.O. , Kelowna, B.C., requested an extension of time, in order to satisfy the necessary by-law enactment requirements. See Appendix “B” attached.
The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.
