HISTORY/DISCUSSION

In 2006, the *Status of Audit Recommendations Quarterly Report Card* was introduced at the request of Audit Committee. The *Quarterly Report Card* is produced at the end of March, June, September and December and is presented at the next Audit Committee.

Audit Committee requested the Audit Department to perform a quarterly follow-up of outstanding audit recommendations, including the three external audits: Report on the New Fire Paramedic Stations Construction Project, the Winnipeg Police Service Headquarters Construction Project and the Real Estate Management Review.

The attached report provides the results of the Audit Department's review for the period April 1, 2017 through June 30, 2017 of the 14 recommendations. Overall, management has fully implemented 12 of the 14 recommendations made by the Audit Department. Actions are underway for the remaining 2 recommendations in progress.

The Public Service has reported that one recommendation in progress should be implemented by December 31, 2017 and the other by March 31, 2018. The status of the recommendations in progress will be the focus of our next report card.
