EXECUTIVE SUMMARY

The Winnipeg Police Senior Officers Association's (WPSOA) collective agreement expired on December 24, 2016 whereby the parties agreed to suspend negotiations pending conclusion of the Winnipeg Police Association/ City of Winnipeg negotiations. The parties exchanged proposals on July 19, 2017 and commenced bargaining that same day. Negotiations concluded on July 21, 2017 and a tentative agreement was signed on September 13, 2017.

Over the last 25 years, the City's Labour Relations Strategy (although not enunciated in any document) has been to:

a) Minimize the increases in salary and benefits;
b) Maintain as many management rights as possible;
c) Make changes to Collective Agreement language to address current issues or issues that have arisen since the last round of negotiations;
d) Attempt to make changes to increase operational efficiency.

The Public Service believes that we have accomplished the above four goals within this round of collective bargaining.

RECOMMENDATIONS

1. That City Council ratifies the Memorandum of Agreement agreed to by the negotiating committees of the City of Winnipeg and the Winnipeg Police Senior Officers Association (WPSOA).

2. That the Proper Officers of the City be authorized to do all things necessary to conclude a Collective Agreement with WPSOA consistent with the terms of the Memorandum of Agreement.

3. That the Proper Officers of the City be authorized to do all things necessary to implement the foregoing.
