RE: Technical Road Opening By-law
DAO 14/2006

Please find enclosed a by-law to open part of Wellington Avenue in accordance with the enclosed Council decision from March 21, 2007. This by-law will also repeal By-law No. 124/2008 which was originally enacted to effect the road opening.

The new by-law and repeal are required because the plan mylars referred to in By-law No. 124/2008 are stale dated and can no longer be filed in the Winnipeg Land Titles Office in order to effect the legal road opening. The new by-law refers to new plan mylars that the Winnipeg Land Titles Office will accept in order to bring into effect the enclosed Council decision.

Since this by-law is of a technical nature and has no substantive consequences, I suggest that it can be brought to Council's agenda as a communication.
