Message:
I would like to go on record with the Executive Policy Committee of the City of Winnipeg Council in support of the motion to be brought to EPC on November 8, 2017 as Agenda Item No. 5 which supports the Along Wilkes alignment as the only viable option for the east/west connection of Sterling Lyon Parkway to the proposed extension of the William R Clement Parkway.

We are not in favour of any proposals which include road alignment of William R.
Clement Parkway, from Shaftetsbury to the Perimeter, that put a four-lane road through our residential community. This would destroy an existing neighborhood by expropriating a significant number of homes.

We are in favour of aligning the road so that it is contiguous with the existing Wilkes Avenue right of way.

Please help us and support the motion to put an end to the various proposals for an east-west connection that runs through the neighborhood of South Wilkes and advocate a proposal for the twinning of Wilkes.

Respectfully,

Tyeba Cox - Homeowner in the area 6 years.
34 Peace Road

Please help save our neighbourhood.
