REASON FOR THE REPORT:

In December 2003, the CentreVenture Development Corporation ("CentreVenture") advised that they support the request from 4804954 Manitoba Limited that the City transfer the existing approval for a heritage grant to the new owner of the building.

In keeping with CentreVenture's established reporting relationship with the City, the Executive Policy Committee is identified as the Designated Committee for the purposes of administering this by-law.

HISTORY:

On September 29, 1999, Council "endorsed the spirit and intent of CentreVenture's Start-Up Business Plan."

On March 15, 2000, Council established the Heritage Investment Reserve in accordance with Section 338(1) of *The City of Winnipeg Act.*

On April 26, 2000, Council amended and adopted the creation of the CentreVenture Heritage Tax Credit Program as well as the CentreVenture Downtown Heritage Program.

On May 24, 2000, Council passed the Gail Parvin Hammerquist Fund By-law No. 7633/2000 which established the CentreVenture Downtown Heritage Program.

On June 25, 2003, Council approved an amendment to the grant criteria and procedures of the CentreVenture 2000 Downtown Heritage Program requiring all projects be substantially completed on or before December 31, 2004.

DISCUSSION:
CentreVenture 2000 Downtown Heritage Program

Council approved the CentreVenture 2000 Downtown Heritage Program on May 24, 2000 with a $500,000 budget. An additional $300,000 was allocated in 2001. CentreVenture and the Administration approved 20 applications.

On September 25, 2000 CentreVenture advised the previous owner of the former Birks Building that a CentreVenture 2000 Downtown Heritage Program grant was approved for up to $50,000, subject to the expenditure of a minimum of $100,000 in eligible costs. The proposed work was to replace the existing elevator and shaft.

Subsequently, the building has been sold to 4804954 Manitoba Limited who intend to invest over $4.2 million to rehabilitate the upper floors of the building and propose to do the same work to upgrade the elevator as the previous owner. The new owner also agrees to assume all obligations of the original applicant which include a legal agreement and having all eligible work completed by December 31, 2004.

CentreVenture and the Administration request that the Executive Policy Committee approve the transferring of the heritage incentive to the new owner who will be able to bring a significant heritage vacant building on Portage Avenue back to life.

FINANCIAL IMPACT
There are no additional costs to the City beyond what was originally approved.
