Subject: South Winnipeg Recreation Funding

To the City Clerk, Carlos Gameiro:

I understand that at the EPC meeting on December 5, the Mayor and Council will be discussing a proposed budget that does NOT include funding for recreation facilities in south Winnipeg.

The lack of recreation infrastructure in South Winnipeg is unacceptable and I do NOT support the proposed budget. I request that the Mayor and Council seriously reconsider this issue and add the appropriate funding.

Regards,

Katarzyna Mihalchuk
Resident of Bridgwater Lakes
