Subject: RELATED TO -HUGE DEFICIT IN RECREATION SPACE in South Winnipeg/ DR P. KERR

GOOD AFTERNOON Carlos Gameiro and Mayor Brian Bowman:

My name is DR Priscilla Kerr I work at Manitoba Clinic and this week we re moving to the new building. I would love to attend
the EPC meeting at City Hall on December 5 at 9:00 am but I can't once I have patients to see on top of the organizing for our move.

My husband and I decided to build a Home at Bridgwater lakes 3 years ago and leave R. Heights due to all the things they had to offer for family with young kids INCLUDING the promises of recreation facilities. My kids are now 6 and 4 years old. My Oldest Kevin will turn 7 on the last candle of Hanukkah.

I was really not happy to find out the proposed City of Winnipeg's 2018 Operating Budget no money has been set aside for a Regional Recreation Facility for South Winnipeg in the coming year or for the next FIVE .***...Five years?? wait?? why that long ? I wanted to understand why we re out of their priority for that long?***

Of course do not support the proposed budget which lacks the funding for recreation facilities in South Winnipeg.PLEASE submit my opposition email to the Executive Policy Committee for consideration and be included in the public record.

I agree with J. Lukes that it is a **HUGE DEFICIT IN RECREATION SPACE in South Winnipeg.** With the expansion of our community to include new areas that are comparable to the size of Brandon, it is completely UNACCEPTABLE for the City to refuse to fund new Recreation Space for the taxpayers and residents of South Winnipeg.

So they re collecting a lot of taxes from us and I don't mind to pay it But I'll be honest I'm concern for our waverly west area. Our neighborhood is growing so fast and I don't think is fair we have less recreation facilities **than any other area in Winnipeg.**

I would appreciate a feedback from your group and **I hope Mayor rethink that as well. BECAUSE my husband and I voted on him and I believe he is a great mayor, I believe he can have a say on that decision. Please think on us Mayor!**

thank you in advance for your attention
