RE: Technical Amendment – Winnipeg Building By-law No. 4555/87

On November 15, 2017, Council passed By-law No. 108/2017 which made various amendments to the Winnipeg Building By-law No. 4555/87.

It has come to our attention that By-law No. 108/2017 references subsection 14.2.1(2) in error, while the Draft By-law which was attached to Item No. 6 of the Report of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated November 7, 2017 contains the correct subsection reference, being subsection 14.2.1(1).

Enclosed is an amending by-law to correct the aforementioned error. Legal Services considers this amendment to be technical in nature and accordingly, Legal Services proposes that this amendment be brought to Council's attention by communication.

An electronic copy of the By-law has been provided by my assistant to Jennifer Ridge and Ken McKenzie via email.

If you have any questions, feel free to contact me.

Thank you.
