SITE DESCRIPTION

- The subject site:
 - is at 19 and 23 John Huyda Drive;
 - is in the Springfield North Neighbourhood and the North Kildonan Ward;
 - is where two single-family dwellings are being built;
 - is in a Recent Communities policy area, which is a type of Areas of Stability Policy Area of *OurWinnipeg* and *Complete Communities*; and
 - is zoned “R1-L” Residential Single-Family (Large).

SURROUNDING LAND USES & ZONING

North: single-family dwellings in a “R1-L” Residential Single-Family Large District.

South: single-family dwellings in a “R1-L” Residential Single-Family Large District.

East: single-family dwellings in a “R1-L” Residential Single-Family Large District.

West: John Huyda Drive then single-family dwellings in a “R1-L” Residential Single-Family Large District.

DESCRIPTION OF THE PROPOSED DEVELOPMENT

- The applicant is requesting to amend Zoning Agreement Caveat 4552450/1 under File DASZ 57/13 in order to accommodate driveways under construction on 19 and 23 John Huyda Drive.
- The driveway being built at 23 John Huyda would be no closer to the property to the west than what is currently shown on Schedule “A” to the subject Zoning Agreement (approximately 24 feet).
- The driveway being built at 19 John Huyda
 - would be seven feet north of the southern limit of the site, whereas Schedule “A” to the subject Zoning Agreement shows a driveway 3.9 feet north of the southern site limit; and
 - would be 19.7 feet wide , whereas Schedule “A” to the subject Zoning Agreement shows a 9.8 metre wide driveway.
- The proposed amendment is required to accommodate the driveways being built on both lots.

ANALYSIS AND ISSUES

OUR WINNIPEG AND COMPLETE COMMUNITIES DIRECTION STRATEGY

- The proposed changes to Schedule “A” of the subject Zoning Agreement would require the driveway under construction on 19 John Huyda Drive to be seven feet from the property to the south instead of what Schedule “A” currently allows – 3.9 feet.
