EXECUTIVE SUMMARY

The time limit for enactment of the subdivision and rezoning by-law for DASZ 28/2014 expires on January 31, 2018. The Developer was not able to satisfy all the conditions prior to expiry and a request has been made for an Extension of Time to enact the by-law and complete the necessary registrations at the Winnipeg Land Titles Office.

The Winnipeg Public Service has no objection to this request.

RECOMMENDATIONS

1. That the time limit for enactment of a subdivision and rezoning by-law for DASZ 28/2014 be extended to January 31, 2020.

2. That the proper officers of the City be authorized to do all things necessary to implement the intent of the foregoing.

REASON FOR THE REPORT

Council approval is required for an extension of time.

IMPLICATIONS OF THE RECOMMENDATIONS

If the recommendation is concurred in, the Developer will be allowed a time extension to January 31, 2020, to enact the necessary by-law and complete registrations at the Winnipeg Land Titles Office.

HISTORY/DISCUSSION

On January 28, 2015, Council adopted Item No. 5 of the report of the Standing Policy Committee on Property and Development dated January 13, 2015 which recommended approval of the subject subdivision and rezoning application to an "RMF-M" Residential Multi-Family District under the Winnipeg Zoning By-law 200/2006 as shown on Appendix "A" attached. Recommendation 6 contained in the Council Decision stipulates:

> "That in the event the application is not proceeded with expeditiously and the by-law is not passed within two (2) years after adoption of the report by Council, the matter shall be deemed to be concluded and shall not be proceeded with unless an extension of time is applied for prior to the expiry of this two (2) year period and Council approves the extension."

On January 25, 2017, Council adopted Item No. 10 of the report of the Standing Policy Committee on Property and Development, Heritage and Downtown Development dated January 17, 2017 which recommended approval of an Extension of Time and that the time limit for enactment of the necessary by-law for DASZ 28/2014 be extended to January 31, 2018.

Subsequently, on October 4, 2017, the Developer, Harry A. Haid Architect, 303-93 Lombard Avenue, Winnipeg, Manitoba, R3B 3B1 made application for a second Extension of Time and requested that the time limit for enactment of the necessary by-law for DASZ 28/2014 be further extended to January 31, 2020. See Appendix "B" attached.

The Winnipeg Public Service has reviewed this request for an extension of time and is of the opinion that approval of the subject extension of time would be acceptable and circumstances leading to the original approval remain unchanged.
