CEC CHAIR:

Message from Councillor Jason Schreyer

I am honoured that Council appointed me Chair of the Citizen Equity Committee in November 2017. It will be my honour to celebrate diversity in Winnipeg and to advocate for change in equity and diversity issues. The citizen members of this committee are dedicated and bring forward issues, share information and provide unique perspectives on equity and diversity.

In 2017, committee members supported various ethno-cultural communities to celebrate our diversity and to learn about special cultural events.

CEC members and the Coordinator undertake community outreach initiatives through regular meetings with community groups and organizations. This past year we hosted five main events and participated in many more.

On March 21, we celebrated the UN International Day for the Elimination of Racial Discrimination by hosting an event for City staff. Our annual Youth Role Model Awards in May acknowledged 16 talented youth from all communities. The CEC co-hosted the Welcome to Winnipeg – Newcomer Services Fair, together with Immigration Partnership Winnipeg. Over 1,500 people attended. The first ever Passport to Peace event celebrated the UN Day of Peace on September 21. Over 100 people attended this interactive and engaging exchange of cultures. The CEC handed out its second annual Embracing Diversity Award this year for City employees that exemplified commitment and dedication to diversity. The 2017 award went to the Winnipeg Fire Paramedic Service for its efforts with City policy concerning the Pride Parade.

Our CEC Coordinator, Maria Morrison, was appointed to represent Winnipeg on the National Advisory Committee for Canadian UNESCO's Coalition of Municipalities against Racism and Discrimination (CCMARD). This new committee voted her Vice-Chair.

City representatives engage in active outreach by attending career fairs and conducting employment presentations to various employment related agencies and educational institutions to showcase the diverse variety of jobs that the City has.

Work continued throughout 2017 on the 'Creating Opportunities for Persons with Disabilities Initiative' that was launched in 2014. This is to include the provision of appropriate memorial ceremonies and commemorative markers to honour the deceased children.
