EXECUTIVE SUMMARY

The Winnipeg Fire Paramedic Senior Officers Association (WFPSOA) collective agreement expired on August 19, 2017 whereby the parties exchanged proposals on October 5, 2017 and commenced bargaining that same day. Negotiations concluded on December 12, 2017 and a tentative agreement was signed that same day.

Over the last 25 years, the City's Labour Relations Strategy (although not enunciated in any document) has been to:

a) Minimize the increases in salary and benefits to a more sustainable level;
b) Maintain as many management rights as possible;
c) Make changes to Collective Agreement language to address current issues or issues that have arisen since the last round of negotiations, and;
d) Attempt to make changes to increase operational efficiency.

The Public Service believes that we have accomplished the above four goals within this round of collective bargaining.

RECOMMENDATIONS

1. That City Council enter into, execute and deliver the Memorandum of Agreement agreed to by the negotiating committees of the City and the Winnipeg Fire Paramedic Senior Officers Association ("WFPSOA") and a subsequent collective agreement with WFPSOA.

2. That the Chief Administrative Officer be authorized to approve the terms and conditions of the collective agreement in accordance with the Memorandum of Agreement and this report, and such other terms and conditions deemed necessary by the City Solicitor / Director of Legal Services to protect the interests of the City.

REASON FOR THE REPORT

It is required that City Council ratify all Collective Agreements entered into by the City of Winnipeg and Civic Unions/Associations.

IMPLICATIONS OF THE RECOMMENDATIONS

The Memorandum of Agreement between the City and the Winnipeg Fire Paramedic Senior Officers Association includes changes involving significant terms, material and other costs as follows:

1. Term of Agreement – August 20, 2017 – August 31, 2021 (48 Months – 11 days)

2. General wage adjustment:

Year of Agreement	Date of Increase	Amount
1	August 31, 2018	2.0%
2	August 31, 2019	2.0%
3	August 31, 2020	2.0%
4	August 31, 2021	2.0%

3. Deletion of shift premium for the afternoon shift which will now only be payable on the night shift. (Article 18.05)

4. Deletion of the clothing points including the unused point payouts in return for the standard issue identified in the Collective Agreement. (Article 17.00)

5. Elimination of the existing training language with new language that reduces the risk of external training requirements in the event the Province moves toward self-regulation and an independent college of paramedics. (Article 25)

6. In the event of self-regulation, the WFPSOA members will be responsible for the registration costs associated with self-regulation. (Article 25.06)

7. More flexibility in staffing operational needs and requirements.

8. A new letter of understanding to ensure no increased costs should the Provincial Government enact extended maternity/parental leave similar to the Federal Government.

9. A reduction in court overtime obligation. (Article 22.00)

10. Eligibility to bank a portion of overtime. (Article 19.01)

Many of the language changes may result in operational efficiencies but any fiscal savings would be difficult to cost given they would be based on assumptions which may not be realized in ongoing operations. Therefore, the items identified above (#3 - #10) have been assumed to have no immediate financial impact.

Unless otherwise stated, the changes in this collective agreement are effective on the date of ratification. The date of ratification of the agreement shall be the first date on which both parties have ratified the Memorandum of Agreement.
