FILE:	G.2/2018(7)	**DATE:**	February 13, 2018

RE: Vehicle for Hire By-law
Technical Amendments

Please find attached a By-law which will amend the Vehicles for Hire By-law.

Although the attached amending By-law is several pages in length, all of the amendments it makes to the By-law are technical in nature; none affect the substance of the By-law. The kinds of errors corrected by this By-law include:

- Corrections of incorrect numbering of sections, subsections and clauses;
- Corrections of inappropriate capitalization;
- Corrections of spelling errors;
- Corrections of incorrect section, subsection and clause references.

Because the amendments proposed in this By-law do not entail substantive changes to the By-law, Legal Services proposes that it can be brought to Council's attention as a communication at its meeting on February 22, 2018.
