EXECUTIVE SUMMARY

The Public Works Department is recommending that the Chief Administrative Officer be delegated the authority to award construction contracts exceeding \$5,000,000 including contract over-expenditures for the following seven projects:

1. Downtown Bike Lane System and Street Improvements; Garry Street Pavement Rehabilitation and Reconstruction – Assiniboine Avenue to Notre Dame Avenue, Notre Dame Avenue Pavement Reconstruction – Portage Avenue to Princess Street and Princess Street Mill and Fill – Donald Street to William Avenue.
2. Chevrier Boulevard – Pembina Highway to Waverley Street & Waverley Pathway Connection.
3. Fermor Avenue Bridge (Seine River) and Fermor Avenue – St. Anne's Road to Archibald Street.
4. Chief Peguis Greenway Extension – Henderson Highway to Main Street.
5. Empress Street/Empress Street East/Westway/Eastway – St. Matthews Avenue to Portage Avenue for Bridge Rehabilitations, Pavement Rehabilitations, Pavement Reconstructions and Riverbank Stabilization.
6. McGregor Street – Selkirk Avenue to Mountain Avenue
7. McPhillips Street – Logan Avenue to Jarvis Avenue

Appendix A provides additional project information including budget information, maximum requested delegation authority, and whether the contract is a multi-year contract or whether it involves funding from the Public Transit Infrastructure Fund (PTIF).

All identified multi-year projects already have first charge approval from Council where applicable. PTIF funding projected must have invoicing completed by March 31, 2020.

Award of a contract by a standing committee of Council can take four to eight weeks depending on the bid opportunity submission deadline date relative to committee meetings. Approval of a

contract award report by the Chief Administrative Officer can be accomplished in approximately three weeks from the bid submission deadline date. In addition, the Canada–European Union Comprehensive Economic and Trade Agreement (CETA) that recently came into effect requires construction contracts greater than \$8,500,000 be advertised for 30 Calendar Days where previously we advertised for as little as 14 Calendar Days. The foregoing constraints would dramatically affect the ability to deliver the work.

RECOMMENDATIONS

1. That authority be delegated to the Chief Administrative Officer to award and that the City enter into, execute and deliver seven competitively tendered construction contracts exceeding \$5,000,000 as identified in Appendix A and such other agreements as determined necessary by the City Solicitor / Director of Legal Services to implement the intent of the foregoing (the “Ancillary Agreements”) to the maximum amounts shown therein provided they are within the Council Approved Budgets.
2. That authority be delegated to the Chief Administrative Officer to negotiate and approve the terms and conditions of the contracts set out in Recommendation 1 and such other terms and conditions deemed necessary by the City Solicitor / Director of Legal Services to protect the interests of the City.
3. That authority be delegated to the Chief Administrative Officer to approve contract over-expenditures for the contracts set out in Recommendation 1, provided that expenditure do not exceed the delegated amounts identified in Recommendation 1 (Appendix A) and they are within Council Approved Budgets.
4. That the Proper Officers of the City be authorized to do all things necessary to implement the foregoing.

REASON FOR THE REPORT

Council has the authority to delegate additional authority to the Chief Administrative Officer in accordance with The City of Winnipeg Charter.

IMPLICATIONS OF THE RECOMMENDATIONS

The purpose of Recommendations 1 and 2 is to expedite the award process for construction contracts expected to exceed \$5,000,000 as well as authority to approve over-expenditures to the same limits.

- The 2018 Capital Budget adopted by Council on December 12, 2017 includes funding for the Fermor Avenue Bridge (Seine River) project in the amount of \$4,100,000. The 2018 Capital Budget also includes funding in the amount of \$6,000,000 from the Regional Street Renewal Program for Fermor Avenue roadworks.

- With adoption of the 2018 Capital Budget, a first charge on the 2019 Capital Budget of \$5,100,000 under the Fermor Avenue Bridge (Seine River) and \$7,600,000 under the Regional Street Renewal Program was approved to facilitate work on this Project.
- Advertising of the construction contract for the project is expected to occur in early February 2018 for a period of 30 Calendar Days. Project construction is scheduled to commence in April 2018 with completion in October 2019.

Chief Peguis Greenway Extension – Henderson Highway to Main Street

- On September 27, 2017, Council approved new 2017 Capital projects and funding implications for future years including Chief Peguis Greenway Extension. In addition, Council approved entering into an agreement with the Province of Manitoba (as program administrator) and the Government of Canada to fund these projects through the Provincial Transit Infrastructure Fund (PTIF).
- The City will enter into an agreement with the Province of Manitoba and the Government of Canada for PTIF funding in which 50% of the eligible costs to a maximum of \$3,350,000 for the Chief Peguis Greenway Extension project costs may be recovered.
- The 2017 Capital Budget amended by Council on September 27, 2017, included interim financing of \$3,850,000 for the City's share of the Chief Peguis Greenway Extension project.
- Advertising of the construction contract for the project is expected to occur in February 2018 for a period of 14 calendar days. Project construction is scheduled to commence in April 2018 with completion in November 2018.

2017/2018 Regional Street Renewal Program –Empress Street/Empress Street East/Westway/Eastway – St. Matthews Avenue to Portage Avenue

- The 2017 Capital Budget adopted by Council on December 13, 2016 included funding for the 2017 Regional and Local Street Renewal Program in the amount of \$105,180,000, with \$6,000,000 for Empress Street/Empress Street East/Westway/Eastway – St. Matthews Avenue to Portage Avenue.
- The 2018 Capital Budget adopted by Council on December 12, 2017 includes funding for the 2018 Regional and Local Street Renewal Program in the amount of \$116,000,000 with \$11,400,000 for Empress Street/Empress Street East/Westway/Eastway – St. Matthews Avenue to Portage Avenue.
- With adoption of the 2018 Capital Budget a first charge on the 2019 Capital Budget of \$2,500,000 was approved to facilitate work on this Project.
- There will be two construction contracts for this project. The first contract, not anticipated to exceed \$5,000,000, is for street pavement rehabilitations. Advertising of the second construction contract that includes river bank stabilization, street pavement reconstructions and bridge rehabilitation is anticipated to exceed \$5,000,000 and is expected to be advertised in September 2018 for a period of 30 Calendar Days. The second construction contract has to commence in December 2018 to complete the river bank stabilization, which can only occur during the winter. If it does not commence December 2018 the project will be delayed a full year.

2018 Regional Street Renewal Program –McGregor Street – Selkirk Avenue to Mountain Avenue

- The 2018 Capital Budget adopted by Council on December 12, 2017 includes funding for the 2018 Regional and Local Street Renewal Program in the amount of \$116,000,000 with \$7,600,000 for McGregor Street – Selkirk Avenue to Mountain Avenue.
